## Garrison Mission

Team Drum generates, rapidly deploys and sustains ready forces to meet national security requirements while caring for Soldiers, Families and Civilians.

## Garrison Vision Statement

Team Drum is the Army's installation and combat-ready force of choice for a resilient force standing watch over the nation's security, ready to deploy globally in order to prevent, shape and win.

## Website

Access Fort Drum's website for more details on any subject area covered in this guide. The web address is [www.drum.army.mil](http://www.drum.army.mil) and the Facebook website is [www.facebook.com/drum.10thmountain](http://www.facebook.com/drum.10thmountain).

## You've Arrived

Welcome to Fort Drum, New York. This is the home of the 10th Mountain Division (LI), with its supporting elements and many tenant units. The division has a strong legacy on an

installation that celebrated its centennial in 2007. You and your Family are part of our history now. Your tour of duty here will be filled with adventure and challenges, and we're sure you'll find the resources you need to make you feel part of this community. If you need assistance, just ask.

Fort Drum is in northern New York's "North Country," which borders Lake Ontario, the St. Lawrence River, Canada, the Adirondack Mountains and Vermont. The tri-county area of Jefferson, Lewis and St. Lawrence surrounds the installation. The installation is in Jefferson County. There is a lot to see and do within the region; you only need to seek out your favorite activity or be willing to try something new.

## Local Transportation

Fort Drum is approximately 70 miles north of Syracuse and 10 miles from Watertown. Most air travelers arrive via Hancock International Airport, Syracuse. Upon arrival at Hancock, look for signs that will lead you to the CPL Gregory J. Harris lounge where you will

find information about contacting the Fort Drum Welcome Desk to arrange for transportation for in-processing Soldiers and Family members from the airport. For more information, call 315-772-7529/2107 or 800-661-7158.

The Watertown International Airport is just outside of Watertown and is about 20 minutes from Fort Drum. Free transportation for in-processing Soldiers and Family members from the airport can be arranged by calling 315-772-7529/2107 or 800-661-7158.

Bus service is available via Adirondack Trailways at 540 State St., Watertown. The service has scheduled trips throughout New York and some parts of Canada. For more information, call 800-776-7548.

Local bus transportation is available via the Watertown CitiBus, 245 Washington St., Watertown, 315-785-7772.

Fort Drum offers a dining facility shuttle bus daily. For schedule information, call 315-772-8060.

### Reception, Reporting In

Fort Drum's Directorate of Human Resources is responsible for 24-hour direct support reception operations for the division and post. The directorate provides reception and in-processing functions for incoming Soldiers and Families and ensures all Soldiers are in-processed in accordance with Army Regulation 600-8-101.

All Soldiers arriving here are assigned to a brigade in accordance with their orders. All active-duty Soldiers arriving for assignment must report to the Fort Drum Welcome Center, Clark Hall, for initial sign in and in-processing. Non-divisional Soldiers whose orders state "reception transient" will be given a final assignment immediately upon arrival to Fort Drum.

It is Fort Drum's goal to have the Soldier signed in and greeted by their sponsor within two hours of arrival. Expanded in-processing consists of installation orientation, installation support activity in-processing, TA-50 issue and medical/dental readiness screening. The staff will assist in resolving any problems that may arise during in-processing.

Soldier in-processing will begin at your unit of assignment (Day Zero). You can expect to be greeted by your sponsor, meet your chain of command, have your housing or barracks needs taken care of and complete a variety of other tasks before returning to Clark Hall (Day One) and continuing with installation in-processing.

On Day One and continuing through to Day Eight of in-processing you will be attending a number of briefings during the installation centralized in-processing located in Clark Hall. These briefings will give you a wealth of information that you will need during your time at Fort Drum, as well as completing your finance paperwork related to your PCS move to Fort Drum. Some of the

highlights of our in-processing period will involve: medical and dental in-processing, CIF equipment issue, a briefing by the 10th Mountain Division (LI) commanding general, a two-day Master Resiliency Training and Financial Readiness for both senior and junior Soldiers. You can expect to be done with in-processing within eight to 11 duty days at which time you are released to the control of your unit leadership.

If the staff can be of any assistance, do not hesitate to contact them at 315-772-7529/2107 or 800-661-7158.

### In-Transit Emergencies

If an emergency arises while Soldiers are on their way here and the situation may prohibit a timely arrival, Soldiers must call the Fort Drum Welcome Center, 800-661-7158 or 315-772-7529. Any Soldier who cannot arrive on his or her report date and does not call may be considered absent without leave.

### Sponsorship

Sponsorship is available to all Soldiers and civilians reporting to Fort Drum and is mandatory for Soldiers in the rank of private (E-1) through colonel (O-6) and for civilians in grades GS-15 and below. To request a sponsor, complete the Sponsorship Program Counseling and Information Sheet (DA Form 5434), completed while out-processing your losing installation. To find out the status of your sponsorship request or ask any questions about Fort Drum sponsorship, you may email the Fort Drum Directorate of Human Resources (sponsorship liaison) at usarmy.drum.imcom-atlantic.mbx.dhr-hq-mpd@mail.mil.

You may also contact the Fort Drum sponsorship liaison at: 315-772-9095; DSN: 772-9095; Fax: 315-772-6045; DSN: 772-1351.

### Youth Sponsorship

Youth sponsorship works to link youth in grades one through 12 who are moving to the Fort Drum area with a youth sponsor. A youth sponsor can make the move easier. Sponsors can provide:

- Correspondence by email before the move.
- Information about what Fort Drum Child, Youth and School Services has to offer.
- Information about Fort Drum and the surrounding area.
- Someone who knows what it's like adjusting to a new place, a new school and new friends.
- A means to make the transition and move easier.

This program is designed to ease the fears of teens transitioning to or from Fort Drum. Sponsors are matched with incoming teens based on gender, age and interests. The sponsors then serve as guides for incoming youth. They introduce the new arrival to others within their age group and grade level and to various activities.

Youth in the community who wish to sponsor an incoming youth must register with the Youth Sponsorship Program coordinator, have parental permission and attend required training. Being a youth sponsor helps build life skills and develops leadership. For more information, contact 315-772-8672/6717.

### Air Force In-Processing

Newly arrived U.S. Air Force personnel with orders to 20 ASOS must report to the 20 ASOS Commander's Support Staff, Building 11480, Enduring Freedom Drive, with their sponsor if available, for in-processing. If the member arrives on a holiday, down day or weekend, the member will report the following duty day to sign in and in-process. If the member plans to arrive at the unit earlier than initially planned, the member will inform his or her sponsor and contact the 20 ASOS at 315-772-0412/0729/6958 or DSN 772-0412/0729/6958.

The voting assistance office is the installation's primary resource for the dissemination of voting information and materials. The

office provides unit voting assistance officers with guidance, training, resources and forms needed to assist Soldiers. The office also provides information and materials directly to individual Soldiers, Family members and DOD civilians. The goal of the voting assistance program is to ensure individuals are provided all the information and materials they need to exercise their right to vote.

Appointment rules and procedures for ID cards and DEERS section are as follows: A walk-in appointment, based on availability, is made in person on the same day for unserviceable, expired, confiscated or lost cards. All others (standbys) signed in are the elderly, special cases and priority customers such as medical, police and fire department employees and handicapped personnel.

Scheduled appointments are made up to two weeks in advance in 30-minute increments per customer. Thirty minutes is the average time it takes for CAC issuance. All non-CAC customers are scheduled two per 30 minutes. For example, two civilian employees need manual ID cards or two members of the same Family need Family member ID cards; they would be scheduled at the same time.

Special note: During an SRC/RSRC, appointments may or may not be scheduled depending on the size of the group and amount of prior notification.

This program is designed to assist Family members, Soldiers and DOD civilians with preparing for and securing employment. Professional development classes are offered monthly in areas such as civilian and federal resume preparation, job search techniques, interviewing skills, starting your own business and networking. ERP also provides information on local businesses and contractors. Current job announcements are sent out weekly by email. A computer lab and lending resource center is also readily available. ERP has a Facebook page that is updated daily with new job

openings and employment information. The Army knows employment is one of the most significant issues for military Families. Our goal is to assist Families with their job search particularly as they are impacted by such a mobile lifestyle.

**Community Leaders Information Forum**

A monthly forum to discuss among Fort Drum leadership and senior spouses issues facing the Fort Drum community, upcoming events and a Q&A session.

**Commanding General's Hotline  
315-772-6666**

The CG's Hotline is available to Soldiers, Family members and civilians who believe they have exhausted their options with their chain of command and other resolution avenues in solving problems within the Fort Drum community. Concerns and problems will be worked through with the goal of providing a resolution within three business days.

**Laws and Regulations for New York and Fort Drum**

New York State and Fort Drum may have some laws and regulations that differ from other places military service members, civilians and their Families have served. The Following information may be helpful. Contact local law enforcement agencies for further details. Fort Drum does not require post stickers, only New York state vehicle registration.

**Visitor's Passes**

Fort Drum is regulated for installation access by the federal REAL ID ACT. Under these guidelines, some state driver's licenses are no longer solely acceptable for proof of identification. Individuals will be required to provide additional identification for gate access.

The information below is correct as of Oct. 10, 2017, with a grace period until Jan. 22, 2018. For the latest gate access information, contact Access Control at 315-772-9959.

**REAL ID Update:** Effective Oct. 10, 2017, the following state licenses will not be acceptable for unescorted access to Fort Drum unless a secondary proof of identity document is presented to obtain a temporary installation pass: Alaska, American Samoa, California, Guam, Idaho, Illinois, Kentucky, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Missouri, Northern Marianas, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Oklahoma, Oregon, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, Texas, Virgin Islands, Virginia, and Washington.

Enhanced driver's licenses are acceptable.

**Secondary proof of identity:** These include a U.S. passport, permanent resident card/alien registration receipt card; employment authorization document with photo; U.S. Military or draft record; U.S. Coast Guard Merchant Mariner Cards; Transportation Worker Identification Card; Native American Tribal Document; PIV-I card issued by non-federal government entities; ID cards issued by local government containing photograph, name and expiration date; university, library or school card containing photograph, name and expiration date; original or certified copy of birth certificate with the person's full name and DOB; utility bill or other documentation with the person's name and address of principal residence; vehicle registration with name and address; vehicle insurance policy; original or certified copy of marriage certificate/license; New York state benefits card with person's name and DOB; New York state pistol permit; and original or certified copy of DD Form 214.

Sponsors requesting access for visitors without REAL ID Act compliant forms of identification or supplemental identity-proofing documents will be required to escort their guests at all times while on the installation.

**Sponsors MUST:**

- Be in possession of a valid DOD ID card.
- Be 18 years of age or older and fall into one of the following categories: Soldiers, Family members, retirees and their spouses, civilian employees or contractors who possess a DOD ID card.
- Meet guests at a visitor gate to sign for them: Lt. Gen. Paul Cerjan/Main Gate,

Gas Alley Gate or the Wheeler-Sack Army Airfield gate.

- Be willing to accept responsibility for all actions of their sponsored guests while those guests are visiting the installation.

Visitors who wish to bring their vehicle on post must present a valid driver's license, registration and proof of insurance. Once a pass is obtained, pass holders may enter Fort Drum via any gate EXCEPT 45th Infantry Division Drive, which is open to DOD ID card holders only. For more information, go online to [www.drum.army.mil/EmergencyServices/Pages/passid.aspx](http://www.drum.army.mil/EmergencyServices/Pages/passid.aspx).

### License and Registration

New York state law requires all individuals operating a motor vehicle in the state be properly licensed to drive a motor vehicle. However, certain states do have military extensions for residents of that state. Check with Military Police at 315-772-7770/7771 if you have questions.

All motor vehicles operating in New York State require vehicle insurance.

Service members are not required to register their privately owned vehicles in New York State if they hold a valid registration from another state. New York State does acknowledge U.S. Army Europe driver's licenses as being valid for motor vehicle operation for 60 days after entering the state. Also, drivers have 45 days to obtain New York state registration if a car has Status of Forces Agreement license plates from overseas.

It is Fort Drum policy that all vehicles of assigned and attached personnel must maintain a valid state inspection certificate if the vehicle is registered in a state that requires annual safety inspections. The inspection may be from the state where the vehicle is registered or from an official New York state inspection

station if the New York state inspection complies with the state requirements where the vehicle is registered. If the state in which a car is registered does not have an inspection program, 15 days are allowed to get a New York state inspection sticker.

### Driving to and in Canada

Travelers must have proof of United States citizenship when crossing between the United States and Canada. Foreign-born individuals must carry a copy of their naturalization certificate if they have become a U.S. citizen. If not, a passport and current United States visa is required. A passport is required when flying to Canada, but birth certificates or a passport are permitted for children when driving to Canada. An enhanced driver's license may be used as an alternate to a passport.

Soldiers assigned to Fort Drum need a signed DA Form 31 prior to going to Canada.

*Additionally, you will need to attend a Canadian Country Briefing (usually through unit's S2 section) prior to travel.* The force protection officer provides country briefings monthly on the third Thursday of each month. Civilian employees and Family members are encouraged to attend this briefing.

Travelers are required to have a non-resident, interprovince vehicle liability ID card when driving in Canada. Anyone stopped by Canadian law enforcement must present a valid driver's license, vehicle registration and proof of current liability insurance.

Remove any radar detectors from vehicles before crossing the border. They are illegal in Canada and will be confiscated and destroyed and drivers will be subject to a fine. A DOD directive also makes radar detectors illegal on post.

### Seat Belts

Per New York state law, in the front seat, the driver and each passenger must wear a seat belt, one person per belt.

- In the front seat, the driver and each passenger must wear a seat belt, one person per belt. The driver and front-seat passengers aged 16 or older can be fined up to \$50 each for failure to buckle up.
- Every occupant of a motor vehicle being operated by the holder of a Class-DJ Learner Permit, a Limited Class-DJ or Class-DJ Driver License must be restrained by a safety restraint.
- Each passenger under age 16 must wear a seat belt or use an appropriate child safety restraint system. The restraint system must comply with the child height and weight recommendations determined by

the manufacturer. Depending on the size of the child, the restraint system may be a safety seat or a booster seat used in combination with a lap and shoulder belt.

- The driver must make sure that each passenger under age 16 obeys the law. The driver can be fined \$25 to \$100 and receive three driver license penalty points for each violation.
- Seat belt use is not required in taxis, emergency vehicles, vehicles manufactured in 1964 or earlier or by passengers in buses other than school buses (seat belt use may be required by the school district).

### Children in Seat Belts

Every child under age 16 in the vehicle must use a safety restraint. If under age 4, he or she must be properly secured in a federally approved child safety seat that is attached to a vehicle by a safety belt or universal child restraint anchorage (LATCH) system.

A child under age 4 who weighs more than 40 pounds may be restrained in a booster seat with a lap and shoulder belt. A child of age 4, 5, 6 or 7 must use a booster seat with lap and shoulder belt or a child safety seat.

**Exception:** A child more than 4 feet 9 inches tall or more than 100 pounds is allowed to use a seat belt that has both a lap belt and a shoulder harness. To use the seat belt, the child must be able to sit straight up against the vehicle's seat back with his or her knees bent comfortably over the edge of the seat. The lap belt should be placed low and tight across the upper thighs; the shoulder belt should rest tightly but comfortably across the child's chest and shoulder without touching the throat. If the seat belt does not fit properly, the child should use a booster seat.

**A booster seat can be used only with a lap and shoulder belt together.** If all the combination lap and shoulder belt positions in the vehicle are already occupied by children using child safety seats or booster seats, a child who ordinarily would use a booster seat should be restrained using only the lap belt.

**An appropriate child safety restraint system:** Is required for all children until their 8th birthday, and must meet the size and weight requirements for the child based on the federal requirements and the recommendations of the manufacturer, and can be a child safety seat, a harness, a vest or a booster seat attached with the vehicle seat belt or latch system, but not the vehicle seat belt alone, and should not be used in the front seat of the vehicle.

## Cellphones

Under New York state law you cannot use a mobile telephone or electronic device while you drive. Illegal activity includes holding a portable electronic device and:

- Talking on a handheld mobile telephone.
- Composing, sending, reading, accessing, browsing, transmitting, saving or retrieving electronic data such as e-mail, text messages or webpages.
- Viewing, taking or transmitting images.
- Playing games.

If you use a portable electronic device while you drive (except to call 911 or to contact medical, fire or police personnel about an emergency), you can receive a traffic ticket and be subject to a fine and a surcharge.

Conviction of a cell phone use, portable electronic device use or a texting violation will also result in points being added to your DMV driving record. If you receive 11 points in an 18 month period, your driver license may be suspended. To learn more, visit <https://dmv.ny.gov/tickets/about-nys-driver-point-system>.

## Speed Limit

The installation speed limit is 25 mph unless otherwise posted. The speed limit is 10 mph when passing Soldiers and pedestrians at all times.

## Windshield Wipers

Per New York state law, headlights must be turned on when windshield wipers are used due to inclement weather (rain or snow).

## Motorcycles, Mopeds

There is a mandatory motorcycle safety training (Motorcycle Safety Foundation, or MSF Card) requirement before being allowed to ride or register a motorcycle on post. Service members must attend the MSF Rider Course before operating a motorcycle or moped on or off post, on or off duty, regardless of whether the motorcycle or moped is registered. DOD civilians must complete the course before riding or registering a motorcycle or moped on a government installation.

### Riders must wear the following equipment:

- Department of Transportation-approved helmet properly fastened under the chin.
- Eye protection.
- Over-the-ankle shoes or boots.
- A high-visibility reflective garment or device (the yellow safety belt used for PT is acceptable).

Each motorcycle must be registered and insured. Each driver must, at a minimum,

have a learner's permit or motorcycle license. All motorcycles must be able to pass New York state inspection. New York State also requires permit-holders to be escorted by a licensed driver or arrive with bikes in tow.

Contact the Command Safety Office for more information, **315-772-5352**.

## Off-Road, Recreational Vehicles

Fort Drum Regulation 420-3, Hunting, Fishing, Trapping and Camping, outlines the use of snowmobiles and all-terrain vehicles on Fort Drum. Recreational use of snowmobiles is allowed on Fort Drum only in training areas 7E, 7F and 7G. Recreational use of ATVs on Fort Drum can only occur on designated recreational roads around training areas 7E, 7F and 7G.

There are exceptions for trapping, ice fishing, retrieving legally harvested big game and disabled access; see Fort Drum Regulation 420-3 for more information. A valid Fort Drum recreation permit and access pass are required to recreate on Fort Drum. See Fort Drum Regulation 420-3 for more information or visit <http://fortdrum.isportsman.net>.

In areas surrounding Fort Drum, off-road vehicles on roads under the jurisdiction of the New York State Department of Environmental Conservation were closed effective April 15, 2008. A list of the roads closed to off-road vehicles can be found at [www.dec.ny.gov](http://www.dec.ny.gov).

## Safety Helmets

Anyone riding a bicycle, skateboarding or inline skating on post must wear a safety helmet in accordance with Fort Drum Regulation 190-2. Off post, however, New York state law requires only that all children under the age of 14 wear a helmet when riding a bicycle.

## Parking

Parking is prohibited where it impedes the flow of traffic, especially within 20 feet of any entrance of a fire station, crosswalk or

intersection. Parking is prohibited on the side of the road facing oncoming traffic.

There is no parking on grassy or seeded areas, unless specifically authorized by Public Works or the Garrison Commander. That may occur November through April, if overflow parking areas are not provided or are full. If vehicles are parked on seeded areas and there is damage, vehicle owners are responsible for reseeded or repairing the area.

There is no parking in fire lanes, within 15 feet of any building or fire hydrant, on sidewalks and railroad tracks, or on roadways in any housing complex from November through April to allow for snow removal.

## Privately Owned Weapons

*In New York it is a criminal offense, punishable by a year in jail and a \$1,000 fine, to possess a privately owned handgun in your residence, vehicle or on your person unless you have been issued a New York state pistol permit.* The only exception is for unloaded antique and replica muzzle-loading pistols and cap-and-ball revolvers.

Handguns may be brought to Fort Drum from an overseas assignment if they are shipped with household goods or hold baggage shipment as authorized by AR 55-71, Chapter 13. However, upon arrival to Fort Drum, handgun owners must contact the police at **315-772-7770/7771** and let them know handguns are coming. When the shipment arrives, notify the Jefferson County Sheriff's Department at **315-786-2711**. Provide them with the weapon's information and follow their instructions. Until they are properly registered, handguns must be stored in unit arms rooms.

The New York Safe Act requires the registration of all assault weapons. There is a requirement to register all firearms on Fort Drum. These weapons are not allowed in temporary lodging.

# HOUSING

As you arrive at Fort Drum, no doubt a top priority is finding a place to make your home. The North Country can be a great place to live and offers Soldiers and Families several choices. Fort Drum Mountain Community Homes is your on-post housing option, offering unique amenities and conveniently located homes designed as premier living for today's military Families.

## **Privatization of On-Post Military Housing**

The military transitioned from government-owned and managed housing to privately managed housing through partnerships with well-known, professional companies to improve the quality of housing and services provided. The Residential Communities Initiative was created to improve the quality of housing and services, eliminate substandard housing, build additional homes to meet demand and sustain existing housing. At Fort Drum, Lendlease and the Department of the Army created a limited liability corporation

called Fort Drum Mountain Community Homes (Mountain Community Homes) to renovate and maintain pre-existing residences and construct new homes on Fort Drum to meet the growing demands of the 10th Mountain Division (LI). In addition to maintaining residential communities once managed by the government, Mountain Community Homes tends to daily management of the property. Established in 2004, Mountain Community Homes provides housing services for all incoming Soldiers, excluding those who require barracks. Single Soldiers Sergeant (E-5) and below are provided barracks accommodations through their assigned military units.

Upon in-processing, you will visit the Welcome Home Center on the second floor of Clark Hall. This is your one-stop shop for all housing needs. Open 7:30 a.m. to 5 p.m. Monday through Friday. The Welcome Home Center

and its professional staff provides one-on-one counseling services that cover all housing options for Soldiers and their Families. Here is a brief overview of what Fort Drum and the surrounding areas offer:

## **Fort Drum Mountain Community Homes**

**315-955-6644**

[www.fortdrummch.com](http://www.fortdrummch.com)

Leasing Office: Welcome Home Center, Clark Hall

Fort Drum Mountain Community Homes (Mountain Community Homes) consists of over 3,800 two-, three-, four- and five-bedroom homes in four premier residential communities. The community welcomes Soldiers and their Families, members of the Guard and Reserves, Department of Defense civilians who support our armed services, military retirees who have proudly served our country, as well as civilians to make their home at Fort Drum.

On-post living is the best housing option for your Family to get the most out of your money, while enjoying the convenience of living close

to work, the security of a gated community and all that Fort Drum has to offer. Monthly rent covers everything your Family needs for stress-free living including trash and recycling pick up, 24-hour emergency maintenance, free use of community amenities, basic utilities and more! As an added benefit of choosing to live on-post, active-duty applicants do not pay a security deposit or first and last month's rent. Don't forget to ask about current specials. Many homes are available at prices less than BAH.

In addition to the newly constructed and renovated homes, there are four state-of-the-art community centers at the heart of each community boasting a variety of amenities including indoor playgrounds, bark parks, splash parks, skate parks, fitness centers and more. Your Family also has an exclusive invitation to monthly resident events which provide an opportunity to get out and meet your neighbors.

Each home is furnished with a refrigerator, range, garbage disposal, dishwasher and washer and dryer hook ups. Every home has a garage with an electric opener, programmable thermostats, air conditioning, ceiling fans and privacy blinds. You also have outdoor space to call your own, many times with the choice of a private balcony or fenced-in yard.

### **Pet Policy**

Mountain Community Homes welcomes a maximum of three furry Family members (dog or cat) to each home. These pets must be microchipped and registered with the on-post veterinary services and dogs licensed with the Town of LeRay. For more information on pets and breed restrictions, please contact the Welcome Home Center or visit [www.fortdrummch.com/resident-resources](http://www.fortdrummch.com/resident-resources).

### **Apply for Housing**

Applying for your home with Fort Drum Mountain Community Homes (Mountain Community Homes) is easy. Contact the Welcome Home Center to meet with a leasing consultant or apply online at [www.fortdrummch.com](http://www.fortdrummch.com).

All newly incoming Families applying to live with Mountain Community Homes should apply in advance, if possible. By contacting the Welcome Home Center ahead of time, you get the process started while decreasing the pressure of trying to get all documents turned in during the already stressful time of moving to a new duty station. After applying in advance you have the benefit of becoming active on the waitlist as early as 90 days from your report date — increasing the chances of being offered a home when it is most convenient for your Family.

In order to receive the best activation date and priority 2 status, applicants must apply within 60 days of signing out of their last duty station. After 60 days have elapsed, the eligibility date becomes the date of application and a lower priority is assigned.

### **When applying, please be prepared with the following documents:**

- Orders to Fort Drum and all amendments
- ERB/ORB/SRB
- Marriage certificate
- Birth certificates for children
- Custody and guardianship paperwork
- Pregnancy verification
- TDY orders
- Special power of attorney
- Current LES

Requests for reasonable accommodation or modification for a disability should be submitted in writing at the Welcome Home Center.

If a spouse wishes to sign for a home while the Soldier is deployed or TDY, the spouse is required to have a special power of attorney.

### **Priority Placement Process**

Mountain Community Homes has a tiered priority placement process. This process is intended to give newly arriving military Families the best opportunity to live on post within the first 60 days of activating an application, while encouraging all applicants to get settled into a home that suits their needs for the duration of their time at Fort Drum.

### **Key and Essential**

Personnel as determined by the Commanding General.

### **Priority 1**

Soldiers not currently living with Fort Drum Mountain Community Homes, but are assigned to the Warriors in Transition Unit (WTU) as a "direct result of armed combat" or those who have "serious physical disabilities" as determined by WTU command.

### **Priority 2**

- Any Soldier newly assigned to Fort Drum. A Soldier is considered newly arrived from 90 days prior to report date through 60 days after the report date on orders to Fort Drum.
- Dual military and single parents who previously cleared their home on post due to military orders to deploy.
- Current residents who must have more than two people in a bedroom due to gain in Family member.
- Single pregnant Soldiers for 60 days effective the date they become eligible to receive BAH.
- Newly married Soldiers for 60 days effective the date of their marriage.
- Soldiers who are arriving within 90 days of deploying have the option to apply before, during or after their deployment and receive their 60 days of priority 2 status when they go active on our waitlist.
- Soldiers TDY en route to Fort Drum can choose to go active for 60 days once signed out of their last duty station and during TDY (activation date is the date of sign out from last duty station), or defer until they are within 90 days of their report date on their orders to Fort Drum.

### Priority 3

- First-time applicants currently living on the economy.
- Service members who are newly arrived to Fort Drum, newly married or single pregnant Soldiers AFTER day 61 of their eligibility date.
- Current residents with a gain in rank or Family member.

### Priority 4

- Previous residents who moved out due to any reason other than PCS and ETS.
- Current residents with a gain in Family member.
- Non-military applicants.

### Permissive TDY/PTDY

To use permissive TDY for house hunting at Fort Drum, you must have your DA Form 31 validated at the Army Community Housing Office next to the Welcome Home Center on your arrival date to Fort Drum or the next duty day the office is open. DA Form 1747 (Status of Housing Availability) is no longer required for Soldiers departing CONUS, Alaska and Hawaii. Incoming Families are encouraged to apply in advance by contacting the Welcome Home Center. You can apply with an advance

application as soon as you receive orders to Fort Drum.

### Management and Maintenance of Fort Drum Mountain Community Homes

Each community has a designated community manager, assistant community manager and resident services coordinators. The community center staff is ultimately responsible for property upkeep, including homes and common areas. They are responsible for enforcing standards and policies to enhance the quality of life in these communities.

Another attractive feature of on-post living is the included property maintenance and 24-hour emergency service provided by Fort Drum Mountain Community Homes. The centrally managed maintenance department streamlines repair services provided and reduces resident wait times.

The Fort Drum Mountain Community Homes website at [www.fortdrummch.com](http://www.fortdrummch.com) allows current residents to submit routine requests for service online and provide feedback.

### Off-Post Housing Army Community Housing Office (Housing Services Office HSO)

315-772-9397

Clark Hall, Room A2-54

The Army Community Housing Office provides the following off-post housing services:

- Provide off-post counseling and referral assistance.
- Answer questions and provide information about the local area (schools, recreation, transportation, lodging, winter weather, etc.).
- Inspect off-post rental properties to determine suitability.
- Review, clarify and explain leases.
- Mediate tenant-landlord disputes.
- Process off-post housing complaints.
- Provide home buying information and assistance.
- Explain tenant rights and responsibilities.
- Validate the DA Form 31 for Permissive TDY.\*

*\*Soldiers on Permissive TDY for house-hunting purposes must have their DA Form 31 verified/stamped on the first available duty day. Failure to secure the validation/stamp may result in the Soldier being charged leave for the entire period.*

### Market Rentals

There are many towns and villages within easy commute of Fort Drum, which offer more than 10,000 rental properties within a 20-mile drive from post. As the market varies, so do the options available. The Welcome Home Center staff provides assistance with what is currently available in the marketplace and offers information on other considerations to think about in addition to rent, such as commute distances, winter weather conditions, property amenities and utility costs.

### Purchase a Home

## Barracks

### Single Soldier Housing (SSH) Branch

315-772-6668

Fax: 315-772-4856

Clark Hall, Room A2-54

The staff, working in concert with mission units, is committed to providing well-maintained, safe and clean housing for our single Soldiers living on Fort Drum. The Barracks Program reinforces the partnership between mission units and the garrison staff as it relates to providing quality unaccompanied housing facilities and services.

Visit [www.housing.army.mil](http://www.housing.army.mil) and select Drum to view what our 1+1 and 1+0 (private room and private bath) rooms look like. Furnishings include, but are not limited to, bed, mattress, five-drawer chest, desk, desk chair, refrigerator and microwave. Day rooms in each building include a flat-screen television, chairs, love seat, couches, card tables, pool tables and foosball tables.

### In-processing

- All single Soldiers sergeant (E-5) and below in-process at SSH in Clark Hall to get issued a barracks room in their assigned unit area. An NCO sponsor from their newly assigned unit must accompany newly arriving Soldiers and know what room the Soldier is to be housed in.
- Inform Barracks Management NCO of assigned unit.
- Complete in-processing packet.
- Receive short briefing, copy of cleaning standards, keycard to room and sign a hand receipt.
- Inspect room, return completed move-in inspection sheet within ten business days.
- Geographic bachelors are not authorized barracks space and will live on the economy in market housing.

### Eligibility Requirements

- Please contact the SSH Office for eligibility details and Exception to Policy (ETP)/Certificate of Non-Availability (CNA) procedures.

### Examples include:

- Soldier is assigned to a law enforcement, criminal investigation, or counterintelligence unit and cannot be billeted IAW AR

420-1 – The Soldier's chain of command (CoC) must submit the Soldier's orders assigning them to Fort Drum and a memorandum signed by the Commander or his/her authorized representative, which requests that the Soldier be released from UH and be authorized BAH. This needs to be updated/renewed annually.

- Soldier is pregnant. The pregnant Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; a memorandum signed by the Commander or his/her authorized representative, which requests that the Soldier be released from UH and be authorized BAH; and, a DA Form 3349, with delivery due date, signed by an authorized medical authority. If after moving out of UH, the Soldier does not deliver the child, they must return to UH as soon as their lease or other housing arrangement allows.
- Soldier has purchased a home near Fort Drum prior to notification of assignment to Fort Drum. The Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; a memorandum signed by the Commander or his/her authorized representative, which requests that the Soldier be released from UH and be authorized BAH; and, a copy of the mortgage or deed for the home purchased.
- Soldier is married to another Soldier or service member residing at Fort Drum or within a 50 mile radius. The Soldier's CoC must submit the assignment orders for both the Soldier and spouse and a copy of their marriage certificate.
- Soldier is married to another Soldier or service member that is departing service. The Soldier's CoC must submit the Soldier's

orders assigning them to Fort Drum; the spouse's separation order; a copy of their marriage certificate; and, a copy of their lease agreement (if applicable).

- Soldier is in a lease prior to civilian spouse's service enlistment. The Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; the spouse's orders for entry onto active duty; a copy of their marriage certificate; and, a copy of their lease agreement.

## Recycling

### Recycling Transfer Center

6000 Guard Lane (off Conway Road)

Hours: 7 a.m. to 3 p.m. Monday through Friday

All garbage bags used in Fort Drum facilities must be clear. Clear garbage bags mean that they must be see through and the contents easily viewable to ensure that there is no recycling or hazardous waste in them.

Recyclables from Fort Drum barracks, offices, or shops may be placed into a blue single stream recycling dumpster or taken to the Fort Drum Transfer Station located at Bldg. 11001 Iraqi Freedom Drive (Hours of operation, 8 a.m. to 3 p.m.)

Mountain Community Home residents are provided curbside pickup for recycling. Residents should contact their Community Manager for more information.

Quality household items and clothing may be donated to the Fort Drum Thrift Shop located at Bldg. 1454.

For more information: [www.fortdrumrecycles.com](http://www.fortdrumrecycles.com)

- g. Soldier has court ordered residential (physical) custody of a dependent child or children for more than six consecutive months during the calendar year. The Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; a memorandum signed by the Commander or his/her authorized representative, which requests that the Soldier be released from UH and be authorized BAH; DA Form 5960; and, a copy of the court order directing residential (physical) custody. A court order that simply states that the parties have "joint custody" is insufficient to determine eligibility for receiving BAH. If the court order states that the parties have joint custody, it must also state that the Soldier has residential (physical) custody for more than six consecutive months during the calendar year.
- h. Soldier signed a lease during a prior marriage and is now divorced, but remains legally obligated under the terms of the lease. The Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; a memorandum signed by the Commander or his/her authorized representative, which requests that the Soldier be

- released from UH and be authorized BAH; a copy of their divorce decree; and, a copy of their lease agreement.
- i. Soldier was promoted to SSG/E6 while residing in UH. The Soldier's CoC must submit the Soldier's orders assigning them to Fort Drum; their promotion orders; and, their barracks clearing form. The documents shall be submitted to both the Housing Division and the Finance Office.
- j. For all other circumstances not covered above, the Garrison Commander is the approval authority. A Soldier desiring to depart UH and receive BAH must have their CoC submit their orders assigning them to Fort Drum; a memorandum from the Commander, endorsed by the chain of command up to the Brigade level (including the Command Sergeant Major), which requests that the Soldier be released from UH and be authorized BAH; and, any documentation to support and justify the "special circumstances" of the request. An ETP for special circumstances will only be granted when the Garrison Commander determines that it is in the best interests of both the Soldier and the Army.

- k. The Garrison Commander is the approval authority for all CNA requests. CAN may only be authorized when barracks space in the Soldier's assigned unit or Brigade is not available and the overall installation barracks occupancy rate is 95 percent or greater. The Garrison Commander will not issue a CNA based on individual unit or Brigade occupancy rates.
- l. Soldiers entitled to BAH at the with dependent rate may not be assigned UH. The Garrison Commander may grant an ETP for housing geographic bachelors in UH. A Soldier requesting an ETP as a geographic bachelor must have their CoC submit their orders assigning them to Fort Drum; a memorandum from the Commander, endorsed by the chain of command up to the brigade level (including the Command Sergeant Major), which requests and justifies why the Soldier should be assigned UH; and, any documentation to support and justify the Soldier's request.

### Out-processing

- Soldiers must schedule clearing appointments through their Barracks' Management Team.
- Soldiers must clear the Housing Division in Clark Hall prior to clearing the installation.

# HEALTH CARE

## U.S. Army Medical Department Activity (MEDDAC)

The mission of the MEDDAC is to provide high-quality healthcare and leadership to maximize medical readiness of the force and improve, restore and sustain the health of our patients responsive to the needs of the 10th Mountain Division (LI) and the Fort Drum community.

The MEDDAC is composed of many sections located throughout Fort Drum, Watertown and the surrounding areas, and supports more than 32,500 beneficiaries.

Primary medical care for active-duty Soldiers is provided at the Conner Troop Medical Clinic (CTMC) or Bowe Troop Medical Clinic (BTMC). The TMC optometry clinic provides primary and secondary eye care for all Soldiers.

Primary and specialty care is available at Guthrie Ambulatory Health Care Clinic (GAHC), Building P-11050 on Mount Belvedere Boulevard, to Family members, retirees and certain active-duty beneficiaries.

GAHC offers a wide variety of outpatient services to include a primary care clinic with Family medicine, pediatrics and internal medicine, ambulance services, specialty clinics to include podiatry, orthopedics, immunizations, dermatology, urology, chiropractic and physical therapy, pharmacy services and a health care finder service. The Composite Health Care System is an advanced health care information system in place to support clinic activities. Other specialty care includes the Fort Drum Obstetrics-Gynecology Clinic at Samaritan Medical Center in Watertown and the Behavioral Health Department on South Post.

The Soldier Specialty Care Clinic (SSCC), an over 23,000-square-foot addition to the Guthrie Ambulatory Health Care Clinic, is home to the Traumatic Brain Injury clinic and Occupational Therapy (OT) department; brings together all on-post OT services for the first time to better serve TRICARE beneficiaries with physical illness/injuries and psychosocial conditions.

The Preventive Medicine department — at Clark Hall and on South Post — provides overall management of the preventive medicine service, which includes Army Public Health Nursing, Occupational Health, Environmental Health, Industrial Hygiene, Audiology, a Nutrition Clinic and the Soldier Readiness Clinic (Force Health Protection).

The Behavioral Health department — in Wilcox Clinic, Building P-36 on South Post — includes community behavioral health services (comprised of psychiatry and psychology), Social Work services (composed of the Family Advocacy section and Clinical Social work section) and the Army Substance Abuse Program. These services work in conjunction with Fort Drum programs such as Army Community Services, division behavioral health assets, installation Chaplaincy and the Suicide Prevention Program to provide mental health evaluation and treatment to Soldiers, Family members, retirees and civilian employees. All behavioral health services for Soldiers are provided on the installation. Soldiers are assigned

The 3-85th Mountain Infantry Warrior Transition Battalion is also an important part of the Fort Drum MEDDAC. The 3-85th WTB provides mission command, administrative support and case management services to Soldiers who qualify as Soldiers in Transition by synchronizing and facilitating quality medical care, clinical care and disposition. The WTB promotes readiness to return to military duty or transition to civilian life, in accordance with the Army's Comprehensive Transition Plan and AR 40-58.

The MEDDAC and 3-85th WTB staff number approximately 870 military, civilian and contract personnel who all work together to support the organization's mission. On a daily basis, the MEDDAC typically fills 1,254 prescriptions, takes 155 X-rays/MRIs, processes 682 lab specimens and has 1,303 clinic visits.

In June 2016, the Fort Drum MEDDAC earned the Joint Commission's Gold Seal of Approval for Ambulatory Health Care Accreditation by demonstrating continuous compliance with its

nationally recognized standards. The Gold Seal of Approval is a symbol of quality that reflects an organization's commitment to providing safe and effective patient care.

### TRICARE

GAHC patients have a variety of secure electronic customer service options available through [www.tricare.mil](http://www.tricare.mil). The new "I want to ..." feature puts everything beneficiaries want to do online on the front page of [www.tricare.mil](http://www.tricare.mil).

Through TRICARE online, beneficiaries who want to get personal assistance can call North Region Health Net Federal Services at **877-TRICARE (877-874-2273)** for enrollment and benefit help. All health care, pharmacy, dental and claims contact information is at [www.tricareonline.com/portal/page/portal/TricareOnline/Portal](http://www.tricareonline.com/portal/page/portal/TricareOnline/Portal). Beneficiaries can get 24/7 TRICARE benefit information at

[www.tricare.mil](http://www.tricare.mil) and make enrollment and primary care manager changes and more at [www.tricare.mil/enrollment](http://www.tricare.mil/enrollment).

You can also visit the Fort Drum MEDDAC web page at [www.drum.amedd.army.mil](http://www.drum.amedd.army.mil).

### TRICARE Standard and Extra

TRICARE Standard and Extra is a fee-for-service plan available in the United States. There is no need to enroll in TRICARE Standard and Extra; coverage is automatic as long as you're eligible for TRICARE. People pay the normal TRICARE Standard deductibles for outpatient care and the cost-sharing percentages. Additional information can be found at [www.tricare.mil/standard](http://www.tricare.mil/standard).

### DEERS

Military personnel are enrolled in the Defense Enrollment Eligibility Reporting

System (DEERS) when they enter active duty. However, to enroll Family members, there must be legal documentation presented. Active-duty personnel can update the status of Family members by presenting such legal documents as marriage certificates, birth certificates or adoption papers at the local DEERS office in Clark Hall. This process must be completed for all Family members in order to receive health benefits.

Enroll newborns on DEERS as soon as possible after birth. For more information, call **315-772-5149**.

Check DEERS data yearly at any ID card center to ensure information is up-to-date. Children are eligible to receive an ID card at age 10. Unmarried children attending an accredited educational institution on a full-time basis are eligible to retain an ID card until the age of 23.

**Army Wellness Center (AWC)**

315-772-4608/4598

Building 10550, 5th Armored Division Drive

The AWC offers a centralized, standardized and a well-rounded approach to health, healthy nutrition and performance enhancement. The facility has state-of-the-art technology to determine a clients' metabolic rate, target heart rate and body-fat percentage. The center also offers tobacco cessation programs. The AWC is open to the entire Fort Drum community — Soldiers, Family members, civilians and retirees.

**U.S. Army Dental Activity (DENTAC) — Fort Drum**

The Fort Drum DENTAC has two clinics and an in-processing center. The clinic services provide routine and emergency treatment to active-duty military members only. Active-duty military members are encouraged to enroll their dependents in the TRICARE Dental Program (MetLife).

Fort Drum, known for its rapid and constant deployments, has embraced Go First Class (GFC) to ensure readiness of the force.

The GFC initiative will improve wellness and readiness while saving Soldiers a considerable amount of time by combining dental exams, cleanings and routine fillings into a single appointment. When appointments aren't readily available, we offer Soldiers the option of

using off-post civilian providers through the Active Duty Dental Program.

Marshall Dental Clinic is a 36-chair comprehensive and specialty care clinic which includes hygiene/exam (HE), hygiene/exam/restorations (HER), periodontics, endodontics, prosthodontics and oral surgery. In laymen terms, it provides X-rays, exams, cleanings, fillings, extractions, gum treatment and implants, root canals, complex extractions and limited oral maxilla facial surgery. The Soldiers of 10th Mountain Division (LI) 1BCT and 2BCT receive care at Marshall. Hours are 7 a.m. to 4 p.m. Monday through Friday.

Stone Dental Clinic is a 24-chair comprehensive care clinic. Although there is limited specialty care available, Soldiers assigned to Stone who require treatment other than HE/HER and root canals are referred to Marshall. The Soldiers of 10th Sustainment, 10th CAB, MEDDAC, DENTAC, WTU and VETCOM receive care at Stone DC. Hours of operation are 7 a.m. to 4 p.m. Monday through Friday.

Clark Hall Dental In-Processing Center provides initial in-processing for all Soldiers. Soldiers will receive DENTAC mission and vision, the Army's GFC initiative, TRICARE information, Active Duty Dental Program information and their clinic assignments. Soldier's Dental Readiness Classification (DRC) is evaluated and they are processed according to their DRC status.

## College and Post-Secondary Education

Welcome to the Army Education Center at the Robert C. McEwen Education Complex. The Army Education Center provides a wide range of services to both Soldiers and Family members at Fort Drum. Co-located with the post library in Building P-4300, the center provides traditional and non-traditional educational opportunities and counseling services for the military, their Families and the civilian workforce. We support not only Fort Drum but also an area of responsibility for northern and western New York, Vermont, New Hampshire and Maine.

### The Army Education Center at the Robert C. McEwen Library and Education Complex

315-772-6878

Building P4300, Camp Hale Road

[www.drum.army.mil/hr/Pages/education.aspx](http://www.drum.army.mil/hr/Pages/education.aspx)

Hours: 9 a.m. to 4 p.m. Monday, Tuesday, Thursday and Friday, and 12:45 to 4 p.m. Wednesday

There are two types of classrooms available for general use: computer and traditional. Both types have fully instrumented instructor

platforms; computer classrooms have 24 student computers. Units and organizations needing classroom space may schedule on a first-come, first-served basis through the Facility Management team at 315-772-6881.

### Counseling Office

315-772-6878

Hours: 9 a.m. to 4 p.m. Monday, Tuesday, Thursday and Friday, and 12:45 to 4 p.m. Wednesday

Army counselors are available to support Fort Drum active-duty personnel, their spouses, Reserve components and DOD civilians in a variety of counseling settings.

### Basic Skills Education Program (BSEP)

Hours: 9 a.m. to noon and 1 to 4 p.m. Monday through Friday or as scheduled

BSEP is a 20-day, hybrid, instructor-led and computer-assisted on-duty program. BSEP is designed to provide Soldiers with instruction on math, reading and language skills. The goal is to improve job performance, prepare Soldiers for advanced schooling and civilian higher education, increase re-enlistment options and enhance trainability.

### Counselor Support Facility (CSF)

315-772-9993

Hours: 2 to 9 p.m. Monday; 9 a.m. to 12:30 p.m. and 1 to 9 p.m. Tuesday through Thursday; 2 to 4 p.m. Friday

The CSF provides a wide range of educational services and resources to the military community. Some of these services and resources are: mandatory briefings, information briefings, various study guides on military and civilian testing, foreign language CD-ROMs and self-study material for reading and grammar, GED preparation, English as a Second Language study material and a computer lab with 24 computers for educational purposes.

### Army Personnel Testing (APT)

315-772-1251

APT is done by appointment through the Education Center's Testing Center. The Test of Adult Basic Education (TABE), the Armed Forces Classification Test (AFCT) and the Selection Instrument for Flight Training (SIFT) are just a few of the tests conducted. The TABE and the AFCT are critical links in improving a Soldier's General Technical and other skill scores. These are linked to a variety of personnel actions including

10720 Mount Belvedere Blvd.  
[www.facebook.com/DrumSFLTAP](http://www.facebook.com/DrumSFLTAP)  
Hours: 8 a.m. to 4 p.m. Monday through Friday

As part of the Soldier for Life-Transition Assistance Program (SFL-TAP), transitioning Soldiers

have the option to attend a two-day Higher Education GPS workshop that provides information on education after separation. As part of this workshop, facilitators have Soldiers complete an education needs assessment and help Soldiers research academic institutions, including tuition costs, fees, accreditation, financial options, admission standards, veteran's programs and more. At the conclusion of this workshop, Soldiers provide an acceptance letter from their college of choice or are able to demonstrate researching and completing a college application if they are still reviewing their options.

Clark Hall RM B 2-11  
10720 Mount Belvedere Blvd.  
[www.facebook.com/DrumSFLTAP](http://www.facebook.com/DrumSFLTAP)  
Hours: 8 a.m. to 4 p.m. Monday through Friday

Career Skills Programs are employment skills training, on-the-job training, apprenticeships, internships, or job shadowing opportunities that are available to transitioning Service member that are within 180 days of their ETS or terminal leave. Service member that are in the IDES or MEB process may also participate in CSPs. Service members in other branches of service, National Guard, Reservist and Veterans may

participate in CSP upon space available. First priority will be given to Army transitioning service members. Fort Drum has three current CSPs: Solar Ready Vets, Onward to Opportunity, Natural Gas Boot Camp. Upcoming CSPs are Veterans Conservation Corps. (May 15 to Sept. 8), FDM Group (July 10 to Sept. 25), and Heavy Construction

Academy (June start date). Local internship and apprenticeship opportunities should be brought to the CSPIA. Career Skills Program Briefs take place every first Tuesday of the month at Clark Hall. To sign up for a CSP brief, call your SFL-TAP office at 315-772-3434.

Located in Watertown, 8 miles from Fort Drum, Jefferson Community College (JCC) serves nearly 4,000 full- and part-time students from Jefferson, Lewis, Oswego and St. Lawrence counties. On average, 40 percent of enrollment is composed of service members, their Families, military retirees and veterans from the Fort Drum area. Jefferson offers 30-plus associate degrees and certificates for career preparation or transfer, as well as local access to bachelors and advanced degrees through partner institutions in Jefferson's Higher Education Center on our Main Campus. JCC's degree programs include six online degrees. The college offers classes and provides academic advisors at the Fort Drum Education Center and Annex. For flexibility, classes are offered in four-week, eight-week and traditional 15-week classes. Additionally, the college offers a wide variety of professional certification training programs and workshops for both professional development and personal interest for adults, children and Families throughout the year.

## SUNY Empire State College

AFTB offers three levels of training. The training is as follows:

**Army Civilian Corps Creed**

I am an Army civilian, a member of the Army team.

I am dedicated to the Army, its Soldiers and civilians.

I will always support the mission.

I provide stability and continuity during war and peace.

I support and defend the Constitution of the United States and consider it an honor to serve the nation and its Army.

I live the Army values of Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage.

- Military Knowledge (Level K) is a basic course to help those new to the military understand and cope with the military lifestyle.
- Personal Growth and Resilience (Level G) is for Family members who are involved in unit or community activities and want to learn more about personal growth, leadership skills and group dynamics.
- Leadership Development (Level L) is for those wanting to develop advanced leadership skills and enhance organizational skills in the Army and in civilian life.

The EFMP is a mandatory enrollment program that works with other military and civilian agencies to provide military Family members with comprehensive and coordinated medical, educational, housing and community support and personnel services to the military Family with special needs. An exceptional Family member is a Family member (child or adult) with any physical, medical, emotional, developmental or intellectual disorder that requires special treatment, therapy, education, training or counseling. Special education services are available to students in the public schools. Students can receive such services as speech, physical and occupational therapy, remedial reading and math, counseling and others services. If the service isn't available in the child's school district, the child is bused to the nearest district where the service is provided.

EFMP also helps Family members by developing and maintaining community support services. Respite Care may be available for short-term care that helps an EFMP Family take a break from the daily routine and stress of caring for a special needs member. Since not

all Families have the same needs, Respite Care is geared toward individual Family needs by identifying eligibility and the type of Respite Care needed.

EFMP Family members can receive medical services at Guthrie Clinic. For more details on enrollment procedures, contact the EFMP staff at Fort Drum's GAHC Clinic, 315-772-4653/4620.

Victim Advocates are trained professionals who provide non-clinical advocacy services and support to victims of domestic violence. Victim Advocates provide crisis intervention, safety assessment and planning, information on the Transitional Compensation program, coordination of emergency services such as transportation, housing, food, etc., assistance in obtaining protective orders, accompaniment throughout the medical, investigative and legal process, assistance in securing medical treatment for injuries, referrals to military and civilian resources, and non-judgmental support. Victims of domestic violence are encouraged to report the incident to a Victim Advocate. Victims may file a Restricted Report or an Unrestricted Report. A Restricted Report allows a victim the option of receiving medical treatment, advocacy, and counseling without triggering an official investigation or Command involvement. An Unrestricted Report allows a victim to receive medical treatment, advocacy and counseling, and an official investigation of the allegation. If you are the victim of domestic violence, do not hesitate to seek assistance from a Victim Advocate.

Individual and Family assessments are conducted to ensure appropriate assistance or referrals are provided. In addition, I&R maintains an extensive resource file of local public, private and voluntary agencies and organizations to assist individuals and Families with getting the support they need.

**Military and Family Life Consultant (MFLC) Program**

315-212-6919

Funded under the Office of the Deputy Under Secretary of Defense for Military Community and Family Policy, MFLCs offer a key, non-clinical, short-term counseling service, as well as briefings, to Soldiers and Families. They help resolve challenges associated with the military lifestyle, including deployment-related issues. MFLCs possess at least a master's level degree in a mental health field and must be licensed clinicians. MFLCs are available by appointment 8 a.m. to 8 p.m. Monday through Friday or by walking into ACS 8 a.m. to 4:30 p.m. Monday through Friday. A MFLC is also embedded within each brigade and in the three largest school districts: Watertown, Carthage, and Indian River.

Obtain information about Fort Drum at [www.militaryonesource.com](http://www.militaryonesource.com).

**Newcomers Get Together** — Learn about all that Fort Drum has to offer. Held the first Monday of each month (if the first Monday is a federal holiday, it will be held the second Monday).

**Drum Welcome Tour** — This tour leaves ACS at 9:30 a.m. and lasts until 2:30 p.m. on most Tuesdays. The tour covers Fort Drum and the local city of Watertown and is a great way to get to know other new people. Reservations are required; children are welcome.

**Lending Closet** — Borrow basic household items and child safety items for up to 30 days while your household goods are in transit.

**Hearts Apart Group** — Monthly support and fun-filled activity program for Families separated from their loved one due to deployment, unaccompanied tour or extended TDY.

**International Spouse Group** — Celebrates and supports our Drum International Families.

**English for Speakers of Other Languages** — Beginner, intermediate and advanced classes are held every Tuesday and Thursday at ACS.

**Citizenship and Immigration Liaison Assistance** — Liaison assistance is available for cases involving permanent residence and US Citizenship for spouses and children of active-duty service members, DOD civilians and retirees.

**Total Army Sponsorship Program** — It is best to request a sponsor when making a PCS move. This program provides the foundation for units to welcome and help prepare Soldiers and Family members for their new duty station in advance of their actual arrival. The sponsor is the key to helping the new Soldier and Family get settled as quickly as possible so they can concentrate on their new duties. To receive a sponsor, contact the Personnel Services Branch at **315-772-1351** or mail DA Form 5434 to: Directorate of HR, Attn: PSB, Fort Drum, NY 13602; or scan and email DA Form 5434 to [usarmy.drum.imcom-atlantic.mbx.dhr.hq.mpd@mail.mil](mailto:usarmy.drum.imcom-atlantic.mbx.dhr.hq.mpd@mail.mil).

The site enables Families to create a household profile, conduct child care searches, submit requests for care and manage their requests at any time and from any location.

#### **Child Development Centers (CDC)**

CYS Child Development Centers offer care for children ages 6 weeks to 5 years old in three formats: full-day, part-day and hourly care. Our centers use Creative Curriculum or a developmental approach to the care and growth of children.

The curriculum includes a balance of indoor and outdoor experiences, small and large group activities, and both active and quiet play periods. Play experiences provide children with opportunities for learning as an interactive, hands-on process.

Activities are based on the knowledge that play is the vehicle through which children naturally learn to understand and deal with the world.

Through play, they will practice decision-making and develop language skills. We strive to provide the warmth and security necessary for all children to grow socially, emotionally, physically and intellectually.

Strong Beginnings is a program that has been developed to ensure military children are prepared to enter kindergarten and have the skills and abilities necessary to be successful in the public school system. Our curriculum, staff and projected values all intertwine to provide

## School Support Services & Frequently Asked Questions

### Which schools are the best?

All schools in the Fort Drum area are responsible for New York state learning standards. All schools teach the same material to reach a common goal.

### How do I know which school my child will go to?

In New York, where your child goes to public school is determined based on where you live. Some special needs children attend schools that are not within their assigned district. Those placements are determined on an as-needed basis.

### How can I research the different schools?

This New York State Education Department website, <http://data.nysed.gov>, has customizable data on all of our local public schools. Another website to inform people about New York state schools is [www.engageny.org](http://www.engageny.org). Our local technical school and special needs support services website is [www.boces.com](http://www.boces.com).

### At what age can my child start school?

In New York, a child must be 5 years old on or before Dec. 1 of the year to enter school. However, it is not mandatory for 5-year-olds to attend school in New York. Mandatory attendance begins when a child will turn 6 before Dec. 1 of the year they are entering school.

### What choices do I have for schooling for my child?

You may send your child to the public school where you live, a private school or home-school.

### What private schools are available?

Augustinian Academy (Catholic), Faith Fellowship (nondenominational Christian) and Immaculate Heart Central (Catholic). Other private schools are available farther away from Fort Drum.

### I want to home-school my children; what do I need to do?

You must submit a letter of intent to the district in which you live. There are two local home-school groups in the area: Fort Drum Home School Group at [hop\\_drum@yahoo.com](mailto:hop_drum@yahoo.com) and LIFE at [beckytaylor@frontier.com](mailto:beckytaylor@frontier.com). Both of these groups offer assistance in filling out the required paperwork and they also offer group activities for home-schooled Families. There is also a home-school legal defense association at [www.hslda.org](http://www.hslda.org).

### What is needed to register my child?

Birth certificate, immunization records, Social Security card, proof of residency, contact info for last school attended and custody agreement, if applicable. For special needs, a copy of latest IEP and last evaluation.

### What are the differences in the schools?

While all schools mirror educationally, they do have some differences:

**Extracurricular Activities:** Music, art and sports programs may look differently from school district to school district. Specific musical instruments may be offered while others may not. Certain sports may be offered at some schools that are not offered at others. After-school transportation may or may not be offered at the school district your child attends.

**School Schedules:** The school day differs from district to district. Every school is unique in regard to when their school day starts and ends. Scheduling can also differ from school to school. Some high schools choose to use block scheduling while others choose to use the period system.

**Building Breakdown:** Grade levels for schools differ from district to district. Some elementary grades are kindergarten through third, while others are kindergarten through fourth and still others are kindergarten through fifth or sixth. Some middle schools are grades five through eight, grades six through eight or possibly grades seven and eight. All high schools include grades nine through 12. Some districts have K-12 all in one building. Demographics can be very different when looking at the makeup of the school districts. For further information, you should review your school website or contact the front office for assistance.

### My child has special needs. What do I need to do?

Contact Fort Drum's Exceptional Family Member navigator office for help with transition. Contact the school special needs office as soon as possible to coordinate the transition.

### My children do not speak English. How is the school going to teach them?

Every school has a variation of the English as a Second Language program. Most students will be immersed into the language as well as the culture.

### My student was on a graduation path at their previous school. How will the schools here help to keep him or her on that path?

New York State sets the graduation requirements and the local schools do not have much leeway in the process of counting credits. Counselors in this area will do their best to see that your student can get every past credit taken; however, there may be some state testing that will have to be taken.

### What are the graduation requirements for New York State?

The New York State Department of Education has adopted the National Common Core curriculum.

### We just moved from a temporary house to a permanent house. Can my student stay in the same school until the end of the year?

Residency determines where a student goes to school. In most cases, if you move from a temporary situation to a permanent situation, your child will have to change schools. Some moves do not require the student to change schools if they are within the same boundary as the school. A superintendent of schools can allow out-of-zone students to attend a different school. Due to the constant shift in student population, most of the schools that serve a majority of the Fort Drum population are not likely to approve this type of request.

### I don't think my child is on the right bus, what do I do?

All school districts have a transportation department. All transportation questions should be directed to this office.

### Why can't I enter my child's classroom whenever I want?

Due to security reasons, schools cannot allow any persons to enter their school buildings or the classrooms without permission. For the safety of all children, most schools will not allow a non-student into the building past the office. If you want to visit your child's classroom, most schools have a procedure for parents to follow and they welcome the parental support.

### My school does not transport to the before- and after-school program at the School Age Center on Fort Drum. What am I supposed to do for child care?

Only students who reside in the Indian River and Carthage districts are bused to the before and after-school child care facilities

on Fort Drum. There are several before and after-school programs in the communities that surround Fort Drum. The local YMCA has developed many of these programs to fit the Fort Drum Family need. Contact your child's school to inquire about them or visit <http://watertownymca.org/sacc> for more information.

### Will my child go outside in the wintertime?

Yes. Most elementary schools regularly go outside for recess in the wintertime. It is a good idea to make sure you are aware of these days so you can send in proper clothing.

### Family Child Care Homes

315-772-6716/2250

Administrative Offices

Family Child Care (FCC) homes are available with trained child care providers who work as independent contractors for CYS. FCC homes provide care for children ages 4 weeks to 12 years old. The FCC program includes full-day, part-day and hourly care for children in a home environment where children can develop motor, cognitive, social and emotional skills through a balance of exploration and planned curriculum. Learning activities are designed to support the natural development of children and include individual and small-group experiences.

FCC homes are DOD-certified. DOD certification, the equivalent of state licensing, is based on an Army internal evaluation process to ensure that FCC homes meet required DOD

quality standards. All providers must pass stringent background checks and meet rigid training, health and safety standards and are subject to unannounced inspections.

### School Age Center (SAC)

315-772-4411

Building 10795, Chapel Drive

The SAC is for children in kindergarten through fifth grade. The SAC program includes before- and after-school programs, quarterly weekend activities during the school year, summer care and camps during school vacations.

Through partnerships with groups such as National 4-H, Character Counts and Boys & Girls Clubs of America, Fort Drum helps children learn to work with their strengths, interests and each other to feel good and to grow as individuals. Fort Drum's CYS SAC programs are both nationally accredited by the Council on Accreditation and DOD-certified.

 CYS School Support Services (SSS) provide a variety of strategies and resources the Army has undertaken to help “level the playing field” for transitioning military students. The School Liaison Officer (SLO) prepare schools and the installation to respond confidently to the complexities of transitions and provide Families assurance that their children’s academic well-being is priority.

The SLO act as primary adviser to the garrison and school districts on all matters of concern among students, parents and local school districts.

- Special events to include dances, game nights, trips, talent shows, lock-ins and midnight sports.

Youth Services is open for middle school and high school students (grades six through 12).

**Youth Sponsorship** — Youth sponsorship works to link youth in grades one through 12 who are moving to the Fort Drum area with a youth sponsor. A youth sponsor can make the move easier. Sponsors can provide:

- Correspondence by email before the move.
- Information about what Fort Drum CYS has to offer.
- Information about Fort Drum and the surrounding area.
- Someone who knows what it's like adjusting to a new place, a new school and new friends.

- A means to make the transition and move easier.

This program is designed to ease the fears of youth in the process of transitioning to or from Fort Drum. Sponsors are matched with incoming youth based on gender, age and interests. The sponsors then serve as guides for incoming youth. They introduce the new arrival to others within their age and grade level and to various activities.

Youth in the community who wish to sponsor an incoming youth must register with the Youth Sponsorship Program coordinator, have parental permission and attend required training. Being a youth sponsor helps build life skills and develops leadership.

### The Fort Drum Labyrinth

(Corner of Mount Belvedere Boulevard and Enduring Freedom Drive)

The labyrinth can be just for fun or as a tool for serious contemplation and meditation. The design of the labyrinth is based on a medieval labyrinth built in 1200 from the floor of Chartres Cathedral in France. A labyrinth is not a maze. It does not have dead ends but rather follows on one continuous path from the entrance that always leads to the center.

The entrance is on the northwest side nearest the parking lot at the entrance to our recreational trail system and adjacent to one of Fort Drum's natural areas. (See the foldout map of the recreational trail system.)

The Heritage Center houses the 10th Mountain Division and Fort Drum Museum, the USO and Off the Beaten Path gift store.

The **10th Mountain Division and Fort Drum Museum** collects and preserves the military history of the 10th Mountain Division and Fort Drum. The free exhibits span the arrival of the United States Army in the North Country for the War of 1812 through the current deployments of the modern 10th Mountain Division. The exhibits educate and inspire using actual military objects that represent the diverse military history found right here in the North Country. The museum can also support educational programs, unit professional development, and local staff rides. The museum is open 10 a.m. to 5 p.m. Monday through Friday,

except training holidays. The museum can be reached at **315-774-0355** or connect with us through our Facebook page [www.facebook.com/FortDrumMuseum](http://www.facebook.com/FortDrumMuseum).

The **United Service Organizations (USO) Fort Drum** caters to service members and their Families, providing a "touch of home" atmosphere. Amenities include free wireless internet and computer lab, video gaming, TVs, movie theater, lounge chairs, designated play area for children and a large, multi-purpose room. USO volunteers are on-hand to assist with information on local services and programs offered by the surrounding military support community. The USO Transition Services team is available to assist all services members and Families making the transition back into civilian life.

The USO Fort Drum center is always stocked with complimentary snack and beverages. The Midday Hot Snack Program operates Monday through Friday starting at 11:30 a.m., providing snacks on a first-come, first-served basis, while supplies last.

**Fort Drum Directorate of Public Works – Natural Resources Branch**

Fort Drum's Natural Resources Branch offers a number of outreach events annually. Fort Drum foresters organize an annual Maple Days event held the last two Saturdays of March. It is an opportunity to see this historic North Country tradition in action, from collecting sap to making (and tasting!) fresh maple syrup. Fort Drum biologists organize a free youth fishing derby in May on the Saturday before Memorial weekend at Remington Pond. In August, Outdoor Adventure Day, a free Family-friendly event is held in cooperation with Cornell Cooperative Extension Service of Jefferson County which emphasizes outdoor recreation and natural resources with hands-on activities and live demonstrations. For information on these outreach events, visit our website at <http://fortdrum.isportsman.net> or Fort Drum Natural Resources Facebook page.

**Outdoor Recreation on Fort Drum**

Fort Drum provides one of the largest tracts of contiguous land in the northeastern U.S. available to the general public for recreational use, with approximately 69,000 acres available for hunting, fishing and other recreational activities. The only areas with limited access for hunting are 2,800 acres in the Cantonment Area (where archery hunting is allowed only by individuals possessing a DOD identification card)

and designated areas open to disabled access hunting only. Fort Drum has six lakes and ponds and at least 39 miles of rivers and streams which are regularly fished. In addition, the New York State Department of Environmental Conservation (NYSDEC) stocks trout (brook, brown and rainbow) annually in selected bodies of water.

Outdoor recreation on the installation is managed by the Fort Drum's Natural Resources Branch. Fort Drum follows New York State regulations for seasons and bag limits for fishing, hunting and trapping. Active-duty military personnel stationed at Fort Drum are considered state residents and do not have to pay non-resident license fees. New York state hunting and fishing licenses may be purchased off post at local licensing agencies or online. Visit the NYSDEC website at [www.dec.ny.gov](http://www.dec.ny.gov) for more information.

All first-time hunters and trappers must pass a safety and education course before obtaining a license from New York State. Courses are free of charge and administered by the NYSDEC. To learn more, see the NYSDEC website at [www.dec.ny.gov](http://www.dec.ny.gov) or call the Regional Sportsman Education office at 315-785-2533.

Fort Drum has its own Fort Drum Regulation 420-3, Hunting, Fishing, Trapping and Camping for outdoor recreational activities. Outdoor recreation activities allowed on Fort Drum training lands include:

- Fishing.
- Hunting (including scouting).
- Trapping (see Fort Drum Regulation 420-3 for more information).
- Camping.

- Wildlife viewing and/or photography.
- Harvesting fruit, mushrooms, ramps/leeks, rhubarb, fiddleheads, dandelions and asparagus.
- Picnicking.
- Hiking.
- Geocaching.
- Dog walking and training.
- Cross-country skiing.
- Snowshoeing.
- Bicycling
- Horseback riding.
- Target shooting (see Fort Drum Regulation 420-3 for more information).
- Snowmobiling (only in training areas 7E, 7F and 7G).
- ATV riding (only on recreational roads around training areas 7E, 7F and 7G).
- Boating (including kayaking and canoeing).

Fort Drum recreational access passes are required to recreate on Fort Drum. Passes are only available online through the website at <http://fortdrum.isportsman.net>. Passes are free. Recreationists can obtain access passes from a home, library or other computer terminal with internet access and a printer. **Check-in and checkout of the training area is required through the Sportsman's Hotline at (855-267-9770).**

Brochures for angling, small-game hunting, bird watching and other activities are also available in the kiosk outside the Natural Resources Outreach Facility (S-2507), Natural Resources Branch Office (T-4848), or the website at <http://fortdrum.isportsman.net>. For recreation-related

Parks and Recreation is the place for brochures and other information on hotels, motels, transportation, camping, parks, sight-seeing, adventure and recreational outings, and entertainment attractions. Also available

is information about recreational opportunities in the North Country.

Leisure Travel Services serves as a ticket outlet for several organizations, including Disney World. Staff members can also negotiate special discounts and group rates and provide information on various travel arrangements, including cruises. Group trips are offered monthly, including visits to New York City, river cruises, professional sports venues, skiing, theater outings, etc. Seasonal offerings include discounted tickets for riverboat cruises, area attractions and amusement parks, and ski resorts. Classes are offered for safety and recreational pursuits.

Parks and Recreation supervises the skeet and archery range. The range is coin-operated and closes at dusk.

The Equipment Checkout Center provides a long list of rental gear to DOD government ID card holders. Available equipment includes campers, boats, barbecue grills and other picnic equipment needs, fishing and camping equipment, and sporting equipment such as bicycles and skis. Parks and Recreation is also responsible for recreational vehicle storage.

Additionally, lawn and garden equipment, including garden tillers and lawn mowers, are available. A full list of rental items is available at the equipment checkout desk and on the Web at [www.drums.com/ParksandRecreation.htm](http://www.drums.com/ParksandRecreation.htm). Please inquire at time of reservation. Active-duty patrons may reserve equipment up to 60 days in advance (30 days for all others). Payment in full is due at the time of pickup.

The park offers playgrounds for youngsters to enjoy and an open field area for sporting activities, hiking and bicycling. A footbridge crosses one of the pond's inlets to take visitors to the new beach house and swimming area supervised by lifeguards.

The park provides two great lodges for gatherings of up to 150 people; reservations for the lodges are made through the

Commons at **315-772-6222**. The lodges are a natural wood, A-frame building with a wraparound deck, a stone fireplace and great kitchen facilities.

Outdoor Recreation also operates three campgrounds.

Dirty Harry's Sportsman's Lodge, located behind the Parks and Recreation Complex, features a fireplace, kitchen, wraparound deck and guest capacity of 50 seated or 100 standing. Reservations for use of Dirty Harry's can be made by calling **315-772-8222/5169**.

Parks and Recreation oversees Remington Park, Fort Drum's premier seasonal recreation area. This state-of-the-art cross-training facility focuses on training Soldiers for combat. Functional fitness exercises are designed to train and develop your muscles to make it easier and safer to perform everyday activities. Functional fitness focuses on strength, agility, stamina and speed. Functional fitness builds a body capable of doing real-life activities in real-life positions. Functional fitness exercises train your muscles to work together and prepare them for daily tasks by simulating common movements you might do at home, at work, in sport or on the battlefield. While using various muscles in the upper and lower body at the same time, functional fitness exercises also emphasize core stability. Personal trainers are available to give you a one-on-one personalized functional fitness workout plan. Functional fitness is geared toward fitness training to resume daily and work activities.

# OFF-POST LEISURE & TRAVEL

If you're looking for something to do around Fort Drum, there's no lack of activities or events. Outdoor recreation can be found on Lake Ontario, the St. Lawrence River, the Black River and Indian Lake. These bodies of water provide some of the best fishing, boating and sailing, canoeing, kayaking, swimming, scuba diving and whitewater rafting in the world. Winter brings "lake-effect" snow with unparalleled snowmobiling, downhill skiing, cross-country skiing, snowshoeing, ice fishing, skating and hunting, especially on the Tug Hill Plateau. Museums and historic points of interest include the War of 1812 battlefield in Sackets Harbor, Boldt Castle and Millionaire's Row in the Thousand Islands, the Antique Boat Museum, the Clayton Opera House and the Jefferson County Historical Society. There is a lot to see and do here — discover New York.

The following information may help Soldiers and Families get their bearings and some ideas of things to do and places to go in the area. This list is not all-inclusive; it's just meant to be a starting point. For more information on

the Thousand Islands area, visit [www.visit1000islands.com](http://www.visit1000islands.com).

## Adirondack Mountains

Ebenezer Emmons, a Williams College professor, named the Adirondacks in his mistaken belief that it was the name of "a well-known tribe of American Indians" who once hunted there. Actually, the word is an Iroquois term meaning "bark eaters."

The Adirondacks encompass 11,000 square miles, almost one-fourth of the state. There are 2,500 mountains in the range, 43 of them more than 4,000 feet tall. The two tallest are Mount Marcy and Algonquin Peak.

The region has about 2,800 lakes and ponds and about 1,200 miles of streams. The first forest preserve in the United States, the Adirondack Park, consists of almost 6 million acres.

**Canada**

If you'd like to go international, Fort Drum is an ideal place to start from — Canada is right across the Thousand Islands Bridge.

**Some cities to see:**

**Kingston** — a short drive west. Visit the home of Queens University and Fort Henry. Enjoy shopping with an international flavor.

**Montreal** — Jacques Cartier and Samuel de Champlain are more than names in history books here; stroll 16th-century Vieux (Old) Montreal, watch the Expos and Canadians, and visit world-renowned museums and the site of the 1976 Summer Olympics.

**Ottawa** — Canada's capital is two hours away, with Winterlude and Tulip festivals, majestic parliament buildings and the Family-oriented Canada Science and Technology Museum.

**Quebec City** — Fluency in French helps but is not necessary in this beautiful city of old-world stores and restaurants. Great forests and provincial parks lay outside the city limits.

**Toronto** — From the top of the Canadian National Tower — the largest tower of its type in the world — look out at the city with its thousands of restaurants. This modern metropolis is the home of several sports teams: the Maple Leafs, Blue Jays, Raptors and Argonauts. Stroll past exhibits at the Royal Ontario Museum, or hit the links in an area with more golf courses per capita than anywhere in North America.

### Community Parks

There is a wide variety of community parks located in the tri-county area. Check with the chamber of commerce in Jefferson, Lewis or St. Lawrence counties for hours, activities and locations.

### Fishing

Major fishing tournaments occur every season in the eastern Lake Ontario and Thousand Islands region. Major sport fishing species include smallmouth and largemouth bass, lake trout, salmon, walleye and muskellunge. For information about licenses, fees and seasons, visit the NYSDEC website at [www.dec.ny.gov](http://www.dec.ny.gov).

Charter fishing: There are dozens of fishing guides in the area who offer charters for every type of fishing. For a list of local charter captains, call the Thousand Islands International Council at 800-8-ISLAND (800-847-5263).

### Golf

There are several public and private golf courses in the area, both nine and 18 holes. Call the Greater Watertown North-Chamber of Commerce at 315-788-4400 for more information.

### Hiking, Biking and Skiing

The local area offers many trails of varying difficulty. Several trails are dual-purpose: used for hiking, biking and ATV use in the warm months and for snowmobiling and cross-country skiing in the winter.

### About New York

New York was admitted as one of the original 13 Colonies in 1788. First explored by Samuel de Champlain and Henry Hudson, the region was claimed by the Dutch in 1624 but fell to the English in 1664-1667. The building of the Erie Canal and railroad lines in the 1820s and 1830s led to development of the western part of the state and great economic prosperity, establishing New York City as the financial center of the nation.

Albany is the capital, and New York City is the largest metropolis.

There are 1,753 small islands dotting the St. Lawrence River between Oswego and Massena, hence the name Thousand Islands. This is the area where the St. Lawrence River and Lake Ontario join. The river separates the United States from Canada. Control of the St. Lawrence was important during the

War of 1812. State parks within the region offer a wide variety of recreation, from long sandy beaches on Lake Ontario to the deep shale formations of Whetstone Gulf. A phone reservation system gives access to camping sites and cabins from Southwick Beach in southern Jefferson County, to Wellesley Island among the Thousand Islands, to Keewaydin on the St. Lawrence River.

### Whitewater Rafting and Kayaking

The Black River Gorge is the best summer whitewater run in the eastern United States. Black River has enormous drainage coupled with numerous upstream reservoirs, which guarantees dependable water levels every weekend throughout the summer. The Black River features rapids (and lines through rapids) that appeal to even the expert boater. While an intermediate boater can negotiate the gorge by choosing sagacious lines and perhaps an easy portage, advanced boaters will still discover a challenging run.

# FORT DRUM & THE 10TH MOUNTAIN DIVISION (LI)

The land on which the Fort Drum military reservation sits has been used as a military training site since 1907. In 1908, Brig. Gen. Frederick Dent Grant, son of Gen. Ulysses S. Grant, was sent here with 2,000 regulars and 8,000 militiamen. He found Pine Plains to be an ideal place to train troops. The following year, money was allocated to purchase the land, and summer training continued through the years.

The camp's first introduction to the national spotlight came in 1935 when the largest peacetime maneuvers to date were held on Pine Plains and surrounding farmlands. About 36,500 Soldiers came from throughout the northeast to take part in the exercise.

Some Soldiers traveled by trains that arrived in town every 15 minutes, coming from as far away as Buffalo and New York City. For 36 hours, young men from offices, factories and farms marched, attacked and defended in tactical exercises on the 100 miles the Army had leased for its war games. The maneuvers were judged to be most successful and the War

Department purchased another 9,000 acres of land.

With the outbreak of World War II, the area known as Pine Camp was selected for a major expansion, and an additional 75,000 acres of land was purchased. A total of 800 buildings were constructed: 240 barracks, 84 mess halls, 86 storehouses, 58 warehouses, 27 officers' quarters, 22 headquarters buildings and 99 recreational buildings, as well as guardhouses and a hospital. Construction workers paid the price, as the winter of 1941-42 was one of the coldest in North Country history.

The three divisions to train at Pine Camp were Gen. George S. Patton's 4th Armored Division (Gen. Creighton Abrams was a battalion commander here at the time), the 45th Infantry Division and the 5th Armored Division. The post also served as a prisoner of war camp.

Pine Camp became Camp Drum in 1951, named after Lt. Gen. Hugh A. Drum, who commanded the First Army during World War II. During and after the Korean conflict, a number

of units were stationed and trained here to take advantage of the terrain and climate.

## **The 10th Mountain Division**

The 10th Light Division was constituted July 10, 1943, and activated July 15, at Camp Hale, Colorado. The 10th Light Division was re-designated the 10th Mountain Division on Nov. 6, 1944. By January 1945, the division was executing combat operations in Northern Italy. During these operations, the 10th Mountain Division seized German positions on Riva Ridge and Mount Belvedere, breaking through the German mountain defenses into the Po River Valley. During the division's combat actions April 14, Pfc. John D. Magrath became the division's first Soldier to receive the Medal of Honor. The division sustained nearly 5,000 casualties during World War II, with 999 Soldiers killed in action. The division was opposed by 100,000 German troops yet destroyed five German divisions as effective combat units, unhinging the German

defense in Italy and drawing German forces away from other theaters.

Following the German surrender, the 10th Mountain Division deployed with troops from Yugoslavia to the Italian border near Trieste, in support of Mission Udine. The division was inactivated on Nov. 30, 1945, at Camp Carson, Colorado. However, to meet the Army's requirements to train large numbers of replacements, the 10th Infantry was reactivated as a training division July 1, 1948, at Fort Riley, Kansas. In January 1954, the Department of the Army announced the 10th Infantry Division would become a combat infantry division with rotations to Europe. Stretched in an arc from Frankfurt to Nuremberg, the 10th occupied a strategic center position in the NATO defense forces until it was replaced in 1958 by the 3rd Infantry Division in Germany. The division was inactivated at Fort Benning, Georgia, on June 14, 1958.

The modern 10th Mountain Division (LI) was reactivated at Fort Drum on Feb. 13, 1985, as one of several new U.S. Army "Light Infantry" divisions. It was designed to meet a wide range of worldwide missions, adding a new dimension to the strategic mobility of the armed forces. The division's rapid mobility enabled the arrival of troops in a crisis area before conflict began and demonstrated U.S. resolve and capability. The 10th Mountain Division (LI) was designed to reassure friends and allies while deterring adversaries, even as the division executed normal training activities in the United States.

Although the 10th Mountain Division (LI) did not deploy to Southwest Asia as a unit, approximately 1,200 division Soldiers deployed to Operation Desert Shield/Desert Storm in

support of the 24th Mechanized Infantry Division in Iraq. The largest unit to deploy was the 548th Supply and Services Battalion with approximately 1,000 Soldiers. After Hurricane Andrew struck South Florida on Aug. 24, 1992, the 10th Mountain Division (LI) assumed responsibility for providing disaster relief as Task Force Mountain. Division Soldiers set up relief camps; distributed food, clothing, medical necessities and building supplies; and helped rebuild homes and clear debris. On Dec. 3, 1992, the division headquarters was designated the headquarters for all Army Forces of the Unified Task Force for Operation Restore Hope in Somalia. The division's mission was to secure major cities and roads to provide safe passage for relief supplies to the starving Somali population. On Oct. 3, 1993, a 10th Mountain Division (LI) quick reaction force secured the ground evacuation route for Special Operations Task Force Ranger during the Battle of Mogadishu. The division next deployed as Multinational Force Haiti and Joint Task Force 190 during Operation Uphold Democracy in 1994. When President Aristide returned to Haiti on Oct. 15, 1994, his security was provided by the 10th Mountain Division (LI).

Between 1997 and 2001, the 10th Mountain Division (LI) continued to support peacekeeping and peace-enforcement operations around the world, serving with the Multinational Force and Observers in the Sinai Desert to monitor the peace treaty between Israel and Egypt. In the fall of 1998, the division received notice that it would serve as senior headquarters of Task Force Eagle, providing a peacekeeping force to support the ongoing operation within

the Multinational Division North areas of responsibility in Bosnia and Herzegovina.

Since the start of operations Enduring Freedom, Iraqi Freedom and New Dawn, 10th Mountain Division (LI) Soldiers have continuously committed to the fight, performing with distinction and valor. From 2001 to the present, 10th Mountain Division (LI) brigades have deployed in support of operations Iraqi Freedom, New Dawn and Enduring Freedom 23 times. First Brigade, the Warriors, have deployed to Afghanistan four times and Iraq twice. Second Brigade, the Commandos, have deployed to Afghanistan three times and Iraq three times. Third Brigade, the Spartans, have deployed to Afghanistan four times. 4th Brigade, the Patriots, deployed to Afghanistan four times and Iraq once. Tenth Combat Aviation Brigade, the Falcons, have deployed to Afghanistan four times and Iraq once. 10th Sustainment Brigade, the Muleskinners, have deployed to Afghanistan four times and Iraq once. The division headquarters has deployed five times to Afghanistan and once to Iraq.

In 2001, the 10th Mountain Division (LI) provided the first conventional combat forces to deploy in response to the Sept. 11, 2001, attacks on the United States. Division Soldiers secured key forward operating bases in Uzbekistan and deployed into Afghanistan as the first conventional force to reinforce special operations units on the ground. During Operation Anaconda in March 2002, elements of the division headquarters commanded more than 1,700 U.S. and 1,000 Afghan troops in the Shahikot Valley, including the 1st Battalion of the 87th Infantry Regiment. U.S. forces estimated 500 fighters were killed during the battle.

Elements from across the division returned to Afghanistan in 2003. The division headquarters assumed command and control of Coalition Joint Task Force 180, supervising fighting brigades throughout Afghanistan. The

## Fort Drum & the 10th Mountain Division (LI)

division's 1st Brigade joined other coalition forces conducting combat operations to eliminate remaining terrorist elements in the region and provide security and humanitarian relief efforts to the Afghan people. The 2nd Brigade provided forces as part of Task Force Phoenix to train the Afghan National Army. The 10th Combat Aviation Brigade deployed for the first time to Afghanistan, providing aviation support for all U.S. Army units operating in the country. During 2003, more than 6,000 10th Mountain Division (LI) Soldiers deployed in support of the war on terrorism.

In July 2004, only six months after returning from Afghanistan, the 2nd Brigade Combat Team deployed to Iraq in support of Operation Iraqi Freedom. The brigade secured the contested areas of western Baghdad for the national elections, preventing enemy attacks from disrupting the first Iraqi democratic election held Jan. 31. During the same period, following the return of the division headquarters and 1st Brigade from Afghanistan, the 10th Mountain Division (LI) began the transformation process into a modular division. The division officially transformed into a modular unit during a ceremony Sept. 13, 2004. As part of the ceremony, seven units were inactivated and 13 activated, including the 3rd Brigade Combat Team. The 4th Brigade Combat Team was activated at Fort Polk, Louisiana, Jan. 16, 2005.

In August 2005, the 1st Brigade Combat Team deployed to western Baghdad, Iraq. The brigade was responsible for security during the Oct. 15 constitutional referendum and the Dec. 15 national election. The division

headquarters, 3rd Brigade Combat Team, and two Battalion Task Forces from the 4th Brigade Combat Team deployed to Afghanistan in 2006. The division headquarters assumed command of Combined Joint Task Force 76 and supervised operations to defeat enemy extremist movements, establish enduring security and set conditions for long-term stability in Afghanistan. During 3rd Brigade Combat Team's deployment, Soldiers executed four significant combat operations during 12 months in the Pech Valley, Kunar Province, Helmand Province and throughout eastern Afghanistan. While serving in Afghanistan, Staff Sgt. Jared C. Monti became the division's second Soldier to be awarded the Medal of Honor during combat operations in Nuristan Province on June 21, 2006.

The 2nd Brigade Combat Team again deployed to Iraq in August 2006, moving into an area known as the "Triangle of Death" for a 15-month deployment as a part of the Iraqi surge. In winter 2006, the 10th Combat Aviation Brigade deployed again to Afghanistan as the only aviation brigade in the theater, providing aviation support for International Security Assistance Force (ISAF) throughout the country. The 10th Sustainment Brigade also deployed to Afghanistan during 2006. As a part of Task Force Muleskinner and the Joint Logistics Command, the brigade assumed the vital mission of tracking and coordinating the movement of supplies, equipment and personnel throughout the region.

The 1st Brigade Combat Team returned to Iraq in 2007, conducting stability and security operations in northern Iraq and training the Sons of

Iraq to protect their neighborhoods from insurgent violence. In 2008, the 4th Brigade Combat Team deployed to Iraq and was involved with coordinating and fighting large-scale operations including Operation Phantom Phoenix. The headquarters of the 10th Mountain Division (LI) deployed to Iraq for the first time in April 2008. The division served as the command element for southern Baghdad until late March 2009, when it displaced to Basra to coordinate security for Multinational Division (South). In the fall of 2008, the 10th Combat Aviation Brigade and the 10th Sustainment Brigade also deployed to Iraq. The 10th Combat Aviation Brigade conducted personnel movements, resupplies, air assaults, medical evacuations, security and attack operations to Multinational Division (North). The 10th Sustainment Brigade orchestrated sustainment support for more than 140,000 Soldiers, Marines and civilians.

In January 2009, the 3rd Brigade Combat Team deployed to Logar and Wardack provinces in Afghanistan, guarding the southern approaches to Kabul and bringing much-needed security to both provinces.

Capt. William D. Swenson became the division's third Soldier to be awarded the Medal of Honor for his actions Sept. 8, 2009, during the Battle of Ganjagal in Kunar Province, Afghanistan. Swenson's actions are credited with saving more than a dozen lives while leading a group of Afghan Border Police in support of 1st

Battalion, 32nd Infantry Regiment, 3rd Brigade Combat Team, 10th Mountain Division (LI) at the time of the battle.

The 2nd Brigade Combat Team completed another tour in Iraq from 2009-2010, during the transition from Operation Iraqi Freedom to Operation New Dawn. The 1st Brigade Combat Team deployed to Afghanistan in 2010, as a part of the surge, becoming the first U.S. Army brigade combat team to operate in northern Afghanistan. Both the division headquarters and the 10th Combat Aviation Brigade deployed to Afghanistan in 2010. The division headquarters assumed responsibility for Regional Command (South), while the 10th Combat Aviation Brigade supported coalition operations in Regional Command (East). This was followed by the deployment of the 4th Brigade Combat Team to Regional Command (East), 3rd Brigade Combat Team to Regional Command (South), and the deployment of 10th Sustainment Brigade to Regional Command (East) in 2011.

In 2013, elements of the 1st, 2nd and 4th Brigade Combat Teams along with the 10th Combat Aviation Brigade Combat Team deployed to Afghanistan in support of Operation Enduring Freedom.

In 2014, the 3rd Brigade Combat Team, "Spartan," deactivated after more than a decade of service to the Global War on Terrorism and the following year, the 4th Brigade Combat Team, "Patriot," of Fort Polk, Louisiana, became the new 3rd Brigade Combat Team, "Patriot."

In addition, the division headquarters and elements of the 10th Sustainment Brigade returned to Afghanistan in support of Operation Enduring Freedom as two of the last elements responsible for framing the transition to Operation Resolute Support.

At the end of 2014, the 10th Mountain Division, for the first time since 2003, were positioned with all of its assigned brigades in the continental United States.

In 2015, elements of 1st BCT deployed to Iraq in support of Operation Inherent Resolve; elements of 2nd BCT and 3rd BCT along with Division Headquarters deployed to Afghanistan in support of Operation Resolute Support/Freedom's Sentinel; elements of 10th CAB deployed to Korea. The 10th Mountain Division Artillery (DIVARTY) activated in October.

In 2016, elements of the Division Headquarters and the 2nd Brigade Combat Team continue to support Operation Freedom's Sentinel in Afghanistan.

In 2017, the 63rd Ordnance Battalion inactivated and elements of the 10th Combat Aviation Brigade deployed to Germany in support

of Operation Atlantic Resolve. During that mission, several Black Hawk helicopters provided air space security to Air Force One as President Donald Trump traveled to Tel Aviv, Israel. Also in 2017, the Department of Defense announced three- to nine-month deployments for units within the division. Members of 3-10, 3rd Brigade Combat Team will support operations in Iraq. The 1st Brigade Combat Team's 1-87 will deploy to Afghanistan, and 6-6 Cav, 10th Combat Aviation Brigade will serve in Korea.

### Into the Future

The 10th Mountain Division and Fort Drum stands ready to support Joint Combined Arms operations wherever conflicts might arise by providing world-class training to its Soldiers, Airmen, Families and civilians. The installation continues to prepare for skills in fighting on multiple fronts, from the land, to the sea, to the air, and computers. The division and post will position itself to meet not only today's training requirements but those 30 years from now.

### 10th Mountain Division (LI) Units

The 10th Mountain Division (LI) is an Army Modular Force Division, consisting of a Division Headquarters and Headquarters Battalion with its Division Special Troops Battalion, three infantry Brigade Combat Teams (two at Fort Drum, one at Fort Polk, Louisiana), in addition to a Combat Aviation Brigade, Sustainment Brigade and Division Artillery Brigade. Families without regard to race, color, religion, gender or national origin, and the provision of an environment free of sexual harassment, and all of this is to apply both on and off post, at home, work and recreation.

### Inspector General

Responsible for providing the commanding general, 10th Mountain Division (LI) and Fort Drum with an ongoing assessment of matters related to the state of the economy, efficiency, discipline, morale, esprit de corps and readiness of units and activities assigned to the installation.

### Garrison Directorates and Staff The Command Safety Office

The Command Safety Office serves as a member of the commanding general's special staff to manage the 10th Mountain Division (LI) and Fort Drum Safety Program. Its purpose is to provide technical guidance, assistance and consultation regarding safety and occupational health requirements to ensure a safe and healthful environment; and also to integrate composite risk management into all operations and establish and implement proactive, accident-prevention initiatives to preserve human and materiel resources and enhance combat readiness.

### Directorate of Emergency Services

This agency is responsible for conducting law enforcement, force protection, fire prevention and protection, and physical security

operations for the installation. Their objective is to provide the community with a safe and secure place to live and work. The 911 Communications Center is responsible for dispatching police, fire and emergency medical personnel.

### Directorate of Family and Morale, Welfare and Recreation (FMWR)

FMWR support and sustain readiness by providing quality recreation, community and Family programs that meet or exceed customer expectations. These programs and facilities are designed and maintained for Soldier and Family support, recreational opportunities, fitness and well-being.

Fort Drum has a multitude of resources available to ID card holders and their guests. There are on-post recreational activities, eating establishments, shopping and more. All active-duty military, Reservists, National Guard, retired military and their Family members, and DOD civilian employees are eligible to use these facilities. Please call 315-772-5370 with questions or for additional details regarding what FMWR has available for you.

### Private Organizations

Non-government groups and clubs that wish to operate on Fort Drum must be authorized by the garrison commander and registered with the Directorate of FMWR. There are many clubs and charitable organizations active on Fort Drum. Visit [www.drummwr.com](http://www.drummwr.com) for a complete list.

### Directorate of Human Resources (DHR)

The DHR executes individual, Family and community support services and programs.

The directorate coordinates, recommends and provides authoritative analysis, advice and services, enabling commanders to provide leadership in executing their military and civilian personnel management responsibilities. In addition, the directorate maintains readiness of individuals, Families and communities by developing, coordinating and delivering education and social service programs that promote self-reliance, resiliency and stability during war and peace. Divisions within DHR include the Administrative Services Division (ASD), Army Continuing Education Services, Army Career Alumni Program, Army Substance Abuse Program, Workforce Development and the Military Personnel Services Division.

### Army Substance Abuse Program (ASAP)

The Fort Drum ASAP is at Building 10250, 4th Armored Division Drive. ASAP programs include:

**Biochemical Testing** — Provides drug testing to deter Soldiers and certain categories of DA civilians from using and abusing drugs.

**Employee Assistance Program (EAP)** — Assists civilian employees to identify and resolve personal problems that may affect their job performance and career. This is a free counseling and referral service.

**Prevention Coordinators** — Provide substance abuse awareness and prevention training resources for military, Family members and DA civilians, as well as promote National Substance Abuse Awareness Campaigns.

**Risk Reduction Program** — Commander's tool designed to identify and reduce Soldiers' high-risk behaviors.

**Suicide Prevention Program** — Provides resources for suicide intervention and prevention skills.

**\*\* FOR IMMEDIATE CONCERN \*\*** The Army Suicide Prevention Office is not a crisis center and does not provide counseling services. If you are feeling distressed or hopeless, thinking about death or wanting to die, or if you are concerned about someone who may be suicidal, please contact the Suicide Prevention Lifeline at 800-273-TALK (8255).

DPTMS responsibilities cover a wide range of operations across Fort Drum, from the air control tower at Wheeler-Sack Army Airfield to the training ranges for routine, pre- and post-deployment training, and one-time operations. The DPTMS staff prepares and coordinates operational, emergency, disaster, force protection and antiterrorism, mobilization and demobilization, and special plans, exercises, policies and directives; coordinates and directs matters pertaining to the Active Component (AC), Reserve Component (RC), and Reserve Officer Training Corps support and training functions; and administers personnel, information, security and intelligence programs. The directorate also assists with mobilizations and deployments, airfield and aviation operations, force protection and antiterrorism, and the allocation of resources. Furthermore, DPTMS members maintain the state-of-the-art Mission Command Training Center. The Security and Intelligence Division advises and assists the garrison commander in defining, coordinating, managing and executing Fort Drum's

multidiscipline security program, including Personnel, Information and Industrial Security, and Security Education Training and Awareness, supporting all units, directorates and tenant organizations.

### Directorate of Public Works

The Directorate of Public Works advises the garrison commander and acts on all engineer matters for housing, maintenance, environmental issues, energy conservation, repair of real property facilities, operation and maintenance of utility systems, and construction for the installation.

### Directorate of Resource Management

The Directorate of Resource Management coordinates, recommends and provides professional management on use of the installation's resources in terms of dollars and manpower. This includes program and budget analysis, formulation, execution and control.

### Equal Employment Opportunity (EEO) Office

The EEO Office manages the EEO Complaint Program, Reasonable Accommodations Process, Special Emphasis, Disability and Affirmative Employment programs, as well as provides training and education, advisory, compliance and program evaluation services for the installation and all activities. It is located in Building 10180 on 4th Armored Division Drive. Important phone numbers are:

EEO Officer ..... **315-772-6911**  
Disability/Special Emphasis  
Program Manager ..... **315-772-4090**  
Complaints Program Manager.. **315-772-6565**

### Installation Command Chaplain

The installation command chaplain provides religious support focused on Soldiers and Family members. Activities include chapel worship, centrally located Roman Catholic and Protestant religious education, counseling, Family life programs and training.

### Public Affairs Office

The Public Affairs Office is the point of contact for all media organizations, command information, community relations and media relations activities for all installation, garrison, division and tenant activities. The staff maintains social media sites and produces the weekly post newspaper The Mountaineer. The office provides information and services directly to civilian organizations and individuals. Visit [www.drum.army.mil/iso/Pages/PublicAffairs.aspx](http://www.drum.army.mil/iso/Pages/PublicAffairs.aspx).

### Staff Judge Advocate (SJA)

The Office of the SJA provides legal advice to commanders and staff on all legal matters and processes courts-martial, Article 15 punishments, and trials of criminal and traffic offenders before the U.S. magistrate. If you are a Soldier, Family member or retiree and need legal assistance, call **315-772-7545** to make an appointment. The Legal Assistance Office is located in Clark Hall, Room A2-68. If you need to file a claim for personal or property loss against the government or check the status of a claim, call **315-772-6584** or come by the Claims Office located in Clark Hall, Room B2-37. If you have received a ticket on post and need information about your court date, call **315-772-2922**. If you are clearing post and need to clear SJA, come to the Henry V. Cumolletti Justice Center – Building T-174.

### Union Representation

#### American Federation of Government Employees (AFGE)

### Tenant Units/Organizations

#### 20th Air Support Operations Squadron (ASOS)

Members of the 20th ASOS advise the 10th Mountain Division (LI) on all aspects of air operations on the battlefield. They integrate air power into the Army scheme of maneuver. The squadron controls employment of allocated air assets on the battlefield. They coordinate and manage joint air operations with other service components and allied air forces.

#### 62nd Military Police Detachment (CID)

The 62nd Military Police Detachment is a unit of the U.S. Army Criminal Investigation Command, responsible for investigating all felony crimes in which the Army has an interest. In addition to its basic mission, it also provides felony crime investigative support to field commanders, to include general crimes against persons or property, economic crime and counterdrug operations. The CID command supports the Army in peacetime and in war; its Soldier agents learn and maintain battlefield survival skills to meet these requirements.

#### 95th Maintenance Company, ATST-10

A detachment of the 95th Maintenance Company based at Redstone Arsenal, Alabama, at Fort Drum, it is a tenant unit attached to the 710th Main Support Battalion. This unit provides calibration and repair support for all test, measurement and diagnostic equipment to the 10th Mountain Division (LI), other non-divisional units and garrison support activities. Members are prepared to deploy for all contingencies to provide calibration and repair support during staging and combat operations and are responsible for maintaining organic calibration measurement standards traceable through the Army Calibration Support System to the National Institute of Standards and Technology.

#### 174th Attack Wing (ATKW)

The New York Air National Guard's (NYANG) 174th ATKW, Syracuse, New York, operates the

Air National Guard's "Adirondack Range" as an air-to-ground bombing and gunnery range on Fort Drum's Range 48.

The Adirondack Range is manned on a full-time basis by the 174th Operations Group, Detachment 1. Their mission is to provide bombing, gunnery and various combat skills training for Air Force, Navy and Marine Corps (Guard, Reserve and active duty) flying operations, JTAC squadrons and rotary wing gunnery (Army National Guard and active duty, Navy and Marine Corps).

Adirondack Range facilitates joint service training that encompasses basic qualification events up through Combined Arms Live Fire Exercises, incorporating Close Air Support and Joint Air Attack Teams. Adirondack Range promotes advanced and complex training scenarios utilizing both practice (inert) and high-explosive (HE) munitions against flexible and realistic target arrays.

The 174th Attack Wing also operates the 174th Maintenance Group (MXG), Detachment 1 Forward Operating Location (FOL), which is manned full time and provides effective, realistic combat readiness training in all aspects of aircraft maintenance, support, and aircrew combat training. Additionally, the FOL produces sorties, to include live and inert weapons loading and hot-pit refueling.

In addition to the Adirondack Range and the FOL, the 174th established an MQ-9 Launch and Recovery Element (LRE) located at Fort Drum Wheeler-Sack Army Airfield.

## 725th Ordnance Company

The 725th Ordnance Company provides routine and emergency support to military installations, operations and exercises, and to federal and civilian authorities within 46 counties of New York state and the entire state of Vermont. It is responsible for neutralizing ordnance or improvised explosive devices whenever capable and providing technical help to civilian and federal authorities on disposal, transportation and storage of hazardous explosives.

The company also supports units including the U.S. Secret Service, Department of State and DOD for VIP visits, offers classes on bomb search and threat techniques and ordnance recognition to other agencies, and trains to be able to deploy worldwide.

## Army Field Support Battalion-DRUM (AFSBn-Drum)

AFSBn-Drum is a subordinate battalion of the 406th Army Support Brigade, located at Fort Bragg, North Carolina. AFSBn-Drum provides mission command and management of a variety of assigned and attached U.S. Army Materiel Command (USAMC) organizations. The battalion synchronizes acquisition, logistics and technology while embracing continuous improvement to enhance the combat readiness of the 10th Mountain Division (LI) as well as all AC/RC/ARNG forces within a nine-state area of responsibility throughout the ARFORGEN process.

On order, AFSBn-Drum deploys in support of 10th Mountain Division (LI) and its BCTs, providing higher level USAMC sustainment

support for contingency operations within and outside CONUS. When deployed, AFSBn-Drum can also be augmented with and have mission command of a variety of USAMC organizations to include Equipment Support Activities, Forward Repair Activities, Combat Vehicle Evaluation Teams, Component Repair Teams, Theater Aviation Sustainment Maintenance Group, Theater Provided Equipment activity, Retrograde Property Accountability Teams and other teams as directed as part of a USAMC regional support area.

## Company B, 342nd Forward Support Battalion, New York Army National Guard (NYARNG)

Building T-789

An assault and obstacle platoon in a combat engineer battalion, to assist local communities in any emergency situation as determined by the governor of New York.

## Defense Logistics Agency

It provides supplies and services to U.S. military forces worldwide. The agency manages more than 4 million consumable items used by the military, DOD civil agencies and foreign governments.

Activities include the Readiness Support Office, Building 124, which provides customer assistance to the 10th Mountain Division (LI) in matters relating to readiness support; the Defense Reutilization and Marketing Office, Building 1350, which provides assistance and disposal services to the division, DOD and other authorized customers; and the Document Automation and Production Service, which provides printing, copying, scanning, imaging, document conversion, CD-ROM and Web services for DOD.

## Defense Reutilization and Marketing Office

Operating under the Defense Logistics Agency, this office handles excess materiel disposal and reutilization for DOD agencies.

Staff members work to dispose of excess property in ways that will meet regulatory requirements but also permit donations or obtain funds for the property so that it won't have to be abandoned or destroyed. This includes recycling items containing precious metals. The office gives technical help to units, takes in excess material, inspects property and keeps necessary records.

## Defense Security Service

It conducts clearance investigations of military and civilian personnel in order to obtain security clearances. It investigates to complete clearance investigations for military
