ACTION LINE DIAL 6-BOSS OR 396-2677

DIAL 6 BOSS is a means of communicating with the Commanding General. Your suggestions, ideas, recommendations, or bona-fide complaints are welcome to make Fort Bragg a better place to live and work. Calls are transcribed daily and submitted to the appropriate agency for follow up. The Commanding General reviews all calls and responses are made to the individual initiating the call. Anonymous calls will be acted upon on a case by case basis. Prior to using DIAL 6 BOSS, you should use your chain of command; however, the Commanding General remains available to any Soldier and/or family member needing help.

DIAL 6 BOSS rules are simple:

1. Wait for the sound of the tone after the recording and leave your full name (spell your last name), social security number, unit or address, and a telephone number;
2. Since your message is being recorded, keep your comments to less than three minutes.

Programs currently serving Ft. Bragg:

BABY BUNDLES

Baby Bundles deliver essential care items for newborns to active duty families rank E6 and below. The bundle includes essentials such as a blanket, socks, hat, bib, onesie, baby wipes, book, diapers, educational toys, and more. Being a new parent is hard – being a new military parent is even harder. Baby Bundles aim to make the challenges of welcoming the newest member of the military family a bit easier and help offset the financial burden of acquiring basic supplies. Any military family stationed at Fort Bragg with a new infant 0-3 months and is rank E6 or below is eligible. Register for your bundle today at our website.

CHILD CARE PROGRAMS

With military spouse unemployment hovering around 25% pre-Coronavirus, low-cost high-quality child care is essential. Before and after school care is essential to allow military spouses the opportunity to pursue educational and career opportunities without the financial constraints of child care.

For information regarding the 2020-21 school year including hours, locations, and payment please call our office.

FOOD PANTRY

The Food Pantry serves a vital need in military readiness and family health as 15% of active duty families are food insecure. Our pantry is 100% confidential and is open to all military members, veterans, and their families. Households can visit one time per week. To access this service, please visit our website for information on how to register or call our office with questions.

HOLIDAY HEARTS PARTNERSHIP

Through a partnership with ACS, we are able to provide children of junior enlisted Soldier/Airmen a chance to receive gifts during the holiday season that they would not have otherwise received due to a financial hardship.

CHILDREN'S WAITING ROOM

Children's Waiting Room provides no-cost child watch services for military families during medical appointments at Womack Army Medical Center. We recognize the challenges military personnel and spouses face when trying to attend medical appointments with little ones. This program alleviates the challenges of finding child care during medical appointments and encourages better health and well-being by reducing the number of missed appointments due to lack of child care. For information on hours, location, and how to register please visit our website or call our office.

BRAGG WORTHY GOWNS

Bragg Worthy Gowns offers a wide variety of gowns (available in sizes 0 – 26, no male attire) available for any formal occasion. These gowns are offered for rental at \$10 each to encourage sound financial decision making and help offset costs of attending formal functions for military members and their families. Dresses have to be dry cleaned before they are returned. This service is available for all DoD ID card holders.

OPERATION HERO

Operation Hero is an after-school program provided to military school-age children. A military child moves between 6-9 times throughout their school aged years that is three times more frequent than their civilian counterparts. This program addresses challenges faced by many military children (feelings of isolation, feelings of self-doubt, frequent or long-term deployments by one or both parents and academic difficulties due to frequent moves). The program is offered at no-cost to military families and takes place at schools throughout the region. Call our office for information on locations and hours as these change regularly throughout the school year.

OPERATION KID COMFORT

Operation Kid Comfort provides no-cost personalized quilts and pillows to children with a deployed parent to support and comfort during stressful times. However, the program also provides reassurance to the service member. As one soldier shared, "Operation Kid Comfort ensured that my daughter would not forget me during my deployment." Volunteers cut fabric, print personalized photos, and assemble the quilts to be given to military children. The program is available to children of deployed U.S. Military personnel stationed in North or South Carolina.

OPERATION RIDE HOME

Operation Ride Home provides financial assistance to eligible active duty junior-enlisted military and their families to travel from their duty station, back home to spend time with their families. Reconnecting military families during this special time of year is one small way Operation Ride Home is strengthening military families.

OPERATION CAMP

Each year we provide summer day camp services for military families and civilians alike. For information on hours, location, and pricing please visit our website or call our office.

THE FISHER HOUSE

E-mail: ftbragg.fisherhouse@gmail.com
Location: 3120 Loop Road, Fort Bragg close to WAMC & WTB
Phone 849-3466

Services Provided: "We make a living by what we earn, but we make a life by what we give." Those words have been attributed to Sir Winston Churchill, but they also sum up the

life of the late Zachary Fisher and his wife, Elizabeth, who established the Zachary and Elizabeth Fisher House Program. We presently have Soldiers serving all over the world, including many from Fort Bragg. In the event that an injured Soldier requires long-term care, it is the policy of the Army to get the Soldier as close to their home base as possible for specialized medical care. However, the nearest military treatment facility could still be many miles away from the Soldier's Family.

Fisher House Foundation donates "comfort homes" as a "home away from home" to enable Family members to be close to a loved one during their hospitalization for an unexpected illness, disease, or injury. Fort Bragg Fisher House is a non-profit organization and does not receive any government financing. It is funded solely by corporate and private donations. At Fort Bragg, Families of persons undergoing medical treatment at Womack Army Medical Center can stay at the house for a cost of \$10 per night. This fee may be waived.

Overview: The Fort Bragg School System is composed of one primary schools (pre-K-1st grades), one intermediate school (2nd-5th grades), five elementary schools (pre-K-5th grades), two middle schools (6th-8th grades). Students in grades 9-12 attend high schools in Cumberland or Harnett Counties. (See below for Cumberland County Schools). Each school under the direction of Fort Bragg School system is fully accredited by ADvancED.

Special Education: One of the most unique aspects of Fort Bragg Schools is the work done with special needs children. The

R-S

Special Education Program offers a full continuum of services to include consultation, inclusion, resource rooms, self-contained classes, and homebound instruction. Eligible students receive services from Speech/Language Pathologists, Occupational Therapists, Physical Therapists, and Psychologists. An extended school year is available to students who demonstrate significant regression and recoupment issues.

Fort Bragg School Board: Being a school board member is a serious responsibility but one that offers significant rewards-the primary reward being the opportunity to actively participate in the process of educating our children. However, unlike the school boards in the Local Education Authority (LEA), DDESS school boards act purely in an advisory capacity, providing input to the Superintendent and administrators in the areas of fiscal, personnel and educational policies, procedures and programs. The DDESS school district superintendent makes final decisions on matters affecting the school district.

Volunteers provide services and are also offered opportunity to learn first-hand about excellent programs in the schools. For more information about volunteering contact a school principal nearest you.

ACCESSING CARE.

STEP 1 - Update DEERS

It is important to update your information in the Defense Enrollment Eligibility Reporting System (DEERS) with your current address and other information to ensure you continue receiving your medical benefits. You can do this by calling 800-538-9552 or by visiting the post ID Card Facility, which is located in the Soldier Support Center, off Normandy Drive, 910-396-9339.

STEP 2 - Enroll in TRICARE

Eligible beneficiaries may call 877-TRICARE to request an enrollment packet.

TRICARE OPTIONS

TRICARE Prime is the only option active-duty family members and retirees who are not Medicare eligible need to enroll in. Active-duty family members do not have an enrollment fee and are automatically enrolled after filling out the enrollment form. Retirees pay for individual coverage or for a family coverage for the entire family to receive healthcare.

TRICARE Extra saves money, but it limits your choice of providers. You may only use authorized civilian providers. There is no enrollment process for TRICARE Standard or TRICARE Extra.

TRICARE Standard offers the most choice of providers at the highest cost. Family Members and retirees pay current deductibles and cost shares.

STEP 3 - Clinic Enrollment

Active-duty service members are assigned to primary care clinics based on their units. Family members can be assigned to an on-post clinic or off-post medical home after they are enrolled in TRICARE Prime. Our primary care clinics are your entry point into the healthcare system. You are strongly encouraged to visit your primary care clinic for clinic orientation and in-processing.

MEDICAL RECORDS

Areas of Responsibility: Womack Outpatient Medical Records maintains the outpatient medical records for all beneficiaries who receive their care at any Womack specialty clinic. If you receive your care at any of our outpatient clinics, your outpatient medical records are maintained at those locations.

Requesting copies of records: Outpatient medical records are retired two years after a patient's last recorded clinic visit. Patients must show their identification card when requesting copies of their records. The Privacy Act and HIPAA prohibits parents from picking up the medical records of children who are over the age of 18 without written permission and an identification card.

Request for records transfer: Records may not be hand-carried according to current laws and Department of Defense policy. If you require a records transfer, contact your servicing medical records room for instructions on how to transfer your records to the new location.

SCHEDULING APPOINTMENTS

To make a primary care appointment, patients should call the central appointment line at

907-APPT (2778), call their assigned clinic, or visit www.tricareonline.com. See clinic information on the following pages for clinic phone numbers.

The central appointment line is open weekdays, from 0700-1700.

To book a specialty appointment, you must first receive a referral from your primary care provider, then call the TRICARE appointment line at 877-TRICARE to book your appointment.

If you cannot make your scheduled appointment for any reason, please remember to call 907-CNCL (2625) to cancel your appointment. If you've forgotten your appointment information, you can also call this line to hear upcoming appointments up to 45 days in advance.

TRICARE APPOINTMENTS ONLINE

All primary care appointments available over the phone are also available online. Just visit www.tricareonline.com and register. Once you're logged in, click on "Appointments," then select a "Visit Reason," followed by "View Available Appointments." You can view all available appointments for your primary care manager and select one that meets your needs. You can schedule appointments at your convenience, without worrying about being put on hold.

ARMY MEDICINE SECURE MESSAGING SERVICE

Secure messaging, also sometimes referred to as Relay Health, is a web-based service that gives providers and patients the ability to communicate securely online. The interactive website allows you to initiate a consultation, receive preventive care reminders, send a note to the provider's office, request prescription renewals and refills, request lab or test results, and request appointments. Unlike a phone conversation, it also provides an audit trail so patients and providers can view the entire message history.

You can sign-up for secure messaging at your primary care clinic during your next visit. It only takes a few minutes and it can potentially save you hours of time in the future.

ACCESSING CARE AFTER HOURS NURSE ADVICE LINE (NAL)

The Nurse Advice Line is available to all TRICARE eligible patients 24 hours a day, seven days a week by calling 800-TRICARE (800-874-2273), option 1.

This service is at no cost to patients and helps you make informed decisions about self-care at home or when to see a healthcare provider.

EMERGENCY DEPARTMENT

The Womack Army Medical Center Emergency Department is for emergencies. An emergency is a medical, maternity or psychiatric problems that threatens life, limb or eyesight; or an injury/illness that causes severe pain or suffering. Examples may include: heart attacks, automobile injuries, poisoning, burns, injuries caused by violence, animal bites, broken bones, chest pains/shortness of breath and severe depression.

In an emergency, call 911 or go to the nearest hospital emergency room immediately.

Patients that come into the Emergency Department with non-urgent and non-emergent cases will be seen by a medical care provider after all urgent care cases have been seen. These patients might have a waiting time ranging anywhere from 45 minutes to many hours depending on the type of cases that are being treated.

If you're not sure if your condition qualifies as a medical emergency, take advantage of the 24-hour Nurse Advice Line at 800-TRICARE (800-874-2273), option 1, with your urgent healthcare questions.

ADVERSE WEATHER PLAN

It is advisable to monitor Womack's website at <https://tricare.mil/mtf/womack> or the Womack Army Medical Center Facebook page for closings and delays. During inclement weather, the Emergency Department and Labor and Delivery will remain open. Patients with appointments impacted by a closure or delay will be rescheduled by their clinic, if necessary. You can also find the most up to date information on our website: <https://tricare.mil/mtf/womack>.

URGENT CARE NOW EASIER TO ACCESS

<https://www.tricare.mil/Plans/HealthPlans/Prime>

TRICARE Prime enrollees no longer need a referral for urgent care visits and point-of-service charges no longer apply for urgent care claims.

This change replaces the previous policy, which waived referrals for the first two urgent care visits per year. Active duty service members (ADSMs) should continue to visit military hospitals and clinics for care. ADSMs enrolled in

<https://www.tricare.mil/Plans/HealthPlans/TPR> TRICARE Prime Remote who don't live near a military hospital or clinic don't need a referral when seeking an urgent care visit.
